JACKSON COUNTY 4-H BREEDING SHEEP DECLARATION FORM

Please complete this form and turn it in at the same time you get your market lambs tagged (3rd Saturday in April). Only Breeding sheep need to be recorded on this form. If you happen to be tagging a ewe lamb as your back-up market lamb, but think you may show her in the breeding show, DO NOT enter her here on this form. Each one of your lambs will be declared by either being tagged or be declared as a breeding sheep project. By listing a sheep on this form you are stating that you are in posession of and caring for that sheep as of the 3rd Saturday in April.
