Master Gardener™ Garden Fair and Plant Sale Features Silent Auction

One of the highlights of the 2009 Garden Fair and Plant Sale will be a silent auction held Saturday, April 25, from 9 a.m. to 2 p.m., at the Oregon State University Extension Service office, 950 W. 13th Avenue in Eugene. This year’s auction will feature a record number of items that should appeal to more than just gardeners.

All funds raised by the OSU Master Gardener Association – Lane County will be used to promote information about sustainable gardening through the Master Gardener hotline, community garden projects, public education events, and public service projects.

“The silent auction is an important part of our fundraising efforts and provides Master Gardener volunteers with resources they need to hold classes in schools and the community,” said Marylee Bowman, president of the OSU Master Gardener Association – Lane County.
