Application for Tillamook Master Gardener™ Association Project

Tillamook County Master Gardener Association is a non-profit, volunteer organization dedicated to the education of the gardening public and associated with the Oregon State University Extension Service. As such, TCMGA does not discriminate on the basis of race, religion, age, marital status, disability, national origin or sexual orientation. OSU Extension Master Gardeners™ provide educational information and programs on sustainable horticulture through trained and certified volunteers. This may include instruction on home vegetable, flower and fruit gardening, lawn and landscape maintenance, pest control and associated topics. TCMGA may not commit to on-going landscape maintenance projects nor projects for commercial entities as we are limited to working with non-profit groups. We also cannot take on projects that are too large or complex for our organization to complete.

ORGANIZATION NAME: _____________________________________________________
CONTACT PERSON AND POSITION: ___________________________________________
PHONE NUMBER: ___________________________________________________________
EMAIL ADDRESS: ___________________________________________________________
PROJECT LOCATION: ________________________________________________________

_____________________________________________________________________________
_____________________________________________________________________________

If this project requires any special tools, props or planting materials, it is understood that the project organizers are to provide them. Master Gardeners are not expected to operate machinery or carry loads.
over 30 pounds.

Master Gardeners™ are volunteers of the OSU Extension Service and are “at-will” volunteers. They represent OSU at all times during their time with your organization. If Master Gardeners are asked to perform duties other than those outlined on this form, a written request needs to be submitted for consideration that outlines these changes.
