I have carefully read and understand this Disclosure and Authorization Form. By my agreement below, I consent to the University obtaining background information for purposes related to employment, volunteer service, or contracting for services. My consent includes preparation of background reports and related information by the University or a law enforcement agency and to the release of such background reports and related information to the University and its designated representatives and agents, for the purpose of assisting the University in making a determination as to my eligibility for employment, promotion, retention, volunteer service or for other lawful purposes related employment or contracting for services. I also authorize the University to obtain any reports or background information necessary to verify my identity and fitness for the position for which I am applying. I understand that refusal to consent to a background check or to release related background information will disqualify me from consideration. I understand that information contained in my employment, volunteer service application or service contract or otherwise disclosed by me before or during my employment or service, if any, may be used for the purpose of obtaining and evaluating background reports on me.

I hereby authorize law enforcement agencies, learning institutions (including public and private schools and universities), information service bureaus, record/data repositories, courts (federal, state and local), motor vehicle records agencies, my past or present employers, the military, and other individuals and sources to furnish any and all information regarding me that is requested by the University, the University’s contracted reporting agency, or law enforcement agency either orally or in writing.

If there is a need to verify my identity or if I have lived outside the state of Oregon in the last seven (7) years, I understand that I may be asked by the University to submit my fingerprints or additional information as requested by the University. Failure to submit to fingerprinting or failure to provide additional information to verify my identity will cause me to be removed from further consideration.

I understand that nothing herein may be construed by me as an offer of employment, appointment to a volunteer service position, or a contract for services by the University.

I understand that further consideration by the University of my candidacy is contingent upon my consenting below and, therefore, I acknowledge that I authorize the University to obtain such reports and background information. I understand a copy of my Disclosure and Authorization for Background Investigation form will be maintained on file by the University in accordance with state rules and laws.

I understand that I have the right to receive a copy of my background report from the Oregon State Police, Federal Bureau of Investigation, and records resources that have provided this information to the University.

I also understand that before I am denied employment based, in whole or part, on information contained in the background report received from the reporting agency, I will be provided a copy of the report and a written copy of my rights under the Fair Credit Reporting Act: www.ftc.gov/credit. I understand that if I am going to dispute the accuracy of information in the report, I must notify the University within fourteen (14) calendar days of the date of the University’s notification letter to me. I understand that appealing the University’s decision or challenging information provided to the University by the reporting agency will not cause a delay or postponement of the University hiring process or employment decisions.

I hereby release and discharge, to the extent permitted by law, Oregon State University, its employees, and any individual or agency obtaining information on the University’s behalf, for any and all claims known or unknown, damages, losses, liabilities, cost, or other expenses arising from the retrieving, reporting, and disclosure of information in connection with this background investigation.
