

Interview Questions

Teams should be prepared to discuss the following questions with a judge at the time of the presentation.

1. Why did you choose this topic?
2. What did you learn from this project?
3. Where did you get your information?
4. What effect did your project have on your schoolyard habitat?
5. Do you think your project has an effect on your community?

Teams unable to attend the Summit must include written answers to these questions and attach them to the back of their display to be judged.
