Dear Livestock Judging Enthusiast,

It has been a tradition at LBCC to organize and implement a summer livestock judging clinic. We do so as we feel passionate about the livestock judging program and the long-term benefits that students gain from participating in this activity. It is our goal to introduce more students to this program and help those students who already have an interest develop their skills.

This year’s clinic will focus on the importance of oral reasons and the necessary classroom time to establish an effective foundation. We will meet at Linn-Benton Community College (F-104, Forum Building at east end of campus) on Tuesday and will rotate through two sessions where time will be spent formatting and presenting competitive oral reasons. Tuesday late afternoon and Wednesday will feature live animal evaluation at the Linn County Fairgrounds, focusing on current industry trends. Linn-Benton Community College will provide lunch for participants on Wednesday.

**Content:** Discussions on industry trends (market & breeding) in beef, sheep, goats and swine. Utilizing EPD’s and alternative performance measures in animal selection for all species. Effective use of contemporary terminology in the organization and delivery of oral reasons.

**Cost:** $50.00 per person (youth and adults) **INCLUDES:** Classroom instruction, hands on evaluation experience, progressive terminology, and sample reasons from past and current LBCC Livestock Judging Team members and lunch on Wednesday.

**Note:** Please complete the **pre-registration** and send payment (or call) by **June 25th**.

**Time & Place:** Sign-ups will be from 11:00-12:00 at LBCC in F-104 on Tuesday, **July 6th**. We will meet at 9 am on Wednesday at the Linn County Fairgrounds.
