Hopkins Community Forest Day

Saturday, August 12th, 2017

8:30am-2:30pm (maybe 1:30pm due to heat)

Hopkins invites you for a **WORK DAY** and Lunch in the woods on **Saturday, August 12th, 8:30am-2:30pm**. Join us for the **WORK DAY** at Hopkins Demonstration Forest 16750 South Brockway Road, Oregon City. <http://www.demonstrationforest.org>.

Projects and Events

- **East Watershed Loop Bridge and Trail Repair**

After clearing the bridge a couple months ago (due to a tree landing directly on it), we finally got a bigger tractor to pull the two large butt logs from the Western Red Cedar that came down on the bridge last winter. The bridge surface is now in need of some repair work and trail work on the approaches.

- **Trail and Road Clean-up and Clearing**

Our efforts will continue to keep up with the growing berries and grasses. Will need to keep an eye on the fire weather/danger and see what tools we can use on the 12th.

- **Lumber Manufacturing**

We also have many saw logs up top next to the Mill House ready to become boards. While we have some boards already cut, I would like to mill some more for doing the bridge repair and cut some so we can create a few benches for the forest.

LEARN BY DOING—IT'S THE HOPKINS WAY WE MANAGE OUR FOREST!

Lunch provided @ 12:30

At 12:30, we will be serving up lunch. All you need to bring is yourself!
