Projects and Events

- **East Watershed Loop Bridge Repair to be Completed**
We are going to complete the East Watershed Loop Bridge with the last part of the western red cedar that we milled last week. Remember, this is the tree that landed on the bridge in the first place...
- **Mill House Clean-up**
The area around the Mill House has acquired a lot of extra scrape wood. It needs to be processed into firewood or sent to the burn pill for ignition (burning permitted). In addition, all the scrap metal, wood, and other waste located around the bus parking will be gathered and disposed of properly.
- **X-mas Decorations in Everett Hall**
We are going to decorate Everett hall for the season and need help.

LEARN BY DOING—IT'S THE HOPKINS WAY WE MANAGE OUR FOREST!
