Local Forest Products Market

Saturday, November 22, 2014 9:00am-5:00pm
Clackamas County Event Center, 4-H Exhibit Hall
694 NE 4th Avenue, Canby, Oregon

A NEW market event to display, celebrate, and trade the many great products and materials from local woodlands and forests in the North Willamette Valley.

Landowners, craftspeople, and businesses have an opportunity to display and sell locally-produced goods and services to the public. It is a chance to connect with customers, to network with other sources and users of local materials, and to increase your knowledge through forestry education with professionals that will be at the market.

Exhibits and opportunities include:

- Locally produced construction materials and tools. Products such as lumber, flooring, wood-turning blanks, burls, slabs, figured wood, etc.
- Finished items from wood grown on local family-owned forest properties.
- Professional services supporting growth and production of local woodland products – consulting, milling, custom furniture, cabinets, and buildings.
- Forestry education with forestry professionals
- Holiday décor and gift ideas

This event is sponsored and hosted by OSU Extension, Clackamas County and the Build Local Alliance. If you would like to be a vendor the fee for a 10 x 8 ft. space is $40. Please mail payment with the registration form below.
