Everything you wanted to know about Fair!

PLEASE READ CAREFULLY

- Due July 6 4-H Pre-Registration Fair Sign Up Forms
- Due July 6 4-H Club Pen and Stall Requests from Leaders
- Due July 16 Fair Camping Form Due to Fairgrounds
- Due July 21 Fashion Review Registration

Enclosed in this packet:

- What’s New for Fair 2010?
- General Fair Information
- Exhibit Tag/Explanation Card Info
- Animals at Fair
- Judges Biographies
- State Fair Information
- Fair Schedule
- Scenario Sheet
- Fair Camping Application
- Fair Booster Form
- Fair Pre-Registration Forms

Don’t miss the Fair Pre-Registration due date of July 6!
Forms Enclosed
May 17, 2010

TO: 4-H Club Members and Leaders

FROM: Sandra Carlson
4-H Coordinator

SUBJECT: Pre-Registration Forms & Fair Entry Information Packet

This packet was put together to hopefully answer most of your Fair questions. There have been a few changes this year with the hall pre-registration requirements. Make sure to check your Hall Pre-Registration Form carefully. All 4-H project pre-registration forms are enclosed. In filling out your pre-registration forms keep in mind you need to pre-register for ALL animal, shooting sports and selected hall classes. We ask that you work closely with your leaders so the forms are filled out correctly.

The completed forms are due to the Extension Office no later than 6 PM on July 6. Call or visit the Extension Office if you have pre-registration questions.

This is how the pre-registration process will work:

**Mandatory Pre-Registration**

1. We are asking each key club leader to hold a meeting to work on each member’s pre-registration materials. Please help your members fill out the forms correctly. It is the club member’s responsibility to make sure they have submitted their pre-registration materials into the Extension Office by the deadline. (We will accept the pre-registration forms from leaders, members, parents or guardians.)

2. All members and leaders will be held to the standards listed on the Code of Conduct Form they signed when they joined 4-H. Non-adherence to this standard may result in dismissal from Fair. Call the office if you wish to review it prior to Fair.

3. Registration materials are due into the Clatsop Co. Extension Office by July 6, 6:00 PM or they must be post marked by that day.

4. **No Late Registration Materials Will Be Accepted**

5. Exhibitor’s Guides provide class numbers needed for completing your Pre-Registration Forms. They are available at the Extension Office as well as local stores, (Brim’s Granny Patti’s, Warrenton Les Schwab and Lyle’s in Seaside). They are available online at http://extension.oregonstate.edu/clatsop/clatsop-county-fair-4-h-info

Oregon State University Extension Service offers educational programs, activities, and materials – without regard to race, color, religion, sex, sexual orientation, national origin, age, marital status, disability, or disabled veteran or Vietnam-era veteran status – as required by Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973. Oregon State University Extension Service is an Equal Opportunity Employer.
Changes or New Additions to Fair Classes in 2010

New Pick Up Times for Fair Entrance Wristbands for Members/Leaders
Due to the Extension Office being closed Fair week, wristbands need to be picked up:

- July 15 – July 30 at the Extension Office, Monday – Friday, 8 AM – 4:30 PM
- OR at Fair Sunday, August 1 from 12 Noon – 8 PM and Monday, August 2 from 8 AM – 8 PM

You will only receive ONE wristband for the week, if you lose your wristband, you pay general admission daily. Also, if you do not pick up your wristband during the times noted above, you will need to pay the daily admission fee to get to our Fair office to receive your wristband.

New Class - Market Pigeon (Squab) Meat Pen, (County Only Class)
Pen of 3 Squab. Each bird must weigh between 12 oz. – 24 oz. per each bird and 25-35 days old (June 30 – July 10). Legs must be banded.

New Class - Archery - Steel Bear
Scoring:  Bull’s-eye 10 points; minus 5 points for missing Bull’s-eye
Possible Per End:  30 points
End:     Three Arrows
Round:    Two ends (6 arrows)
Distance:   20 yards

General Animal Showing
Dress for conformation classes should be the same as for showmanship dress.

Scrapbooking – State class created just for Scrapbooking
Up to two single sided scrapbook or memory book pages based on a single theme. Pages are encouraged to be protected by plastic sleeves. Exhibits with two pages should have the pages securely attached to each other.

Leathercraft
There are multiple changes to the classes of this project. So please check the Exhibitor Guide carefully.

Fashion Revue
The state added Intermediate and Senior “Ready to Wear” classes, so we will now follow their rules for the “Ready to Wear” classes for Juniors, Intermediates, and Seniors. The rules have changed a little. They are as follows:

*Participants can combine newly purchased clothing with up to two items or accessories they already own to present a “Total Look” including shoes and accessories. Newly purchased items must make up at least half of the items in the outfit. Cost of newly purchased clothing is limited to a total of $25.00 or less.*
Clatsop County 4-H Fair Information
Sunday, August 1 - Saturday, August 7, 2010
Theme: Roll Out the Fun    Colors: Red & Gold

It is time for all 4-H’ers to start working on their entry forms for the Fair. Please read this handbook and the county Exhibitor Guide for instructions, available June 3 at the Extension Office, Brims, Granny Patti’s, Lyle’s in Seaside and Warrenton Les Schwab.

2010 Clatsop County 4-H Fair Timeline
Please note:
• Not all judged 4-H activities occur during the week of Fair.
• 4-H Pre-Registration/Entry Forms are enclosed in this packet. Complete the 4-H Fair Entry Form and turn it into the Extension Office by July 6.
• Actual 4-H exhibits need to be brought to the Fairgrounds according to the schedule below.
• The term “interview-judging” means that the judge will look at the exhibits along with the 4-H member and ask questions and make suggestions, so allow time for that. Interview judging is optional, but is part of the learning process for the 4-H member.

GENERAL INFORMATION

Fair Entry Forms Due – All 4-H animal, shooting sports and Cloverbud members wishing to exhibit at County Fair must turn in a completed Pre-Registration Form listing the exhibits they plan to bring to Fair by **Tuesday, July 6**, to the Extension Office by 6 PM. Static (Hall) items have limited items only that need to be pre-registered. (See static hall exhibit section for more info).

**Member Conduct** - 4-H members participating in Fair are expected to abide by the “4-H Activities Code of Conduct”. Each member participating in Fair must have one on file signed by parent and member.

**Parent & Leader Responsibility** - 4-H members are ultimately the responsibility of their parent/guardian throughout Fair. The role of the 4-H leader is to provide advice and guidance to the 4-H member about their 4-H project(s), to help supervise 4-H areas at the Fairgrounds and to help supervise members while they are participating in 4-H events.

**Member/Leader Fair Passes** – Due to the Extension Office (downtown location) being closed Fair week, free Fair admission wristbands for 4-H members & leaders should be picked up:
- July 15 – July 30 at the Extension Office, Monday – Friday, 8 AM – 4:30 PM
- OR at Fair Sunday, August 1 from 12 Noon – 8 PM and Monday, August 2 from 8 AM – 8 PM

4-H members/leaders will receive only ONE wristband for the week. 4-H members & leaders without wristbands will be charged admission after the Fair begins on Tuesday. Also, if you do not pick up your wristband during the times noted above, you will need to pay the daily admission fee to get to our Fair office to receive your wristband. There are no Fair passes for those other than leaders & members.

**Cloverbud Members** – Just a reminder, the 4-H Cloverbuds (K-3) members that were enrolled by May 28 can bring many projects to Fair. First you need to know that when they sign up for the Cloverbud project, they are enrolled in general 4-H. So, for Fair they can bring any hall projects such as art, fiber art, food, cake decorating, sewing, canning, knitting, crocheting, horticulture, educational display, woodworking, photography, entomology, geology, creative writing, table setting and more. They will follow the Exhibitor Guide and pre-register for the class numbers they plan on bringing to Fair (Most hall exhibits do not need pre-registration. Those that do are computer, flower arranging, table setting, videography and economics/business). At the end of the class number on the Fair Entry Form you will find a space that is to be filled in (for example class number 51177000__). For the K-3 members, **you will leave this line blank**. Cloverbud (K-3) members cannot show livestock, horses or dogs (state rule).

Cloverbud members may bring Small Animals and Pocket Pets to Fair in an exhibition event if you have been working with a leader in these projects. These will be shown on Friday evening from 6 PM – 8:30 PM. Participation ribbons only will be awarded.
**Record Books** – Record books will be used to break ties when awarding medallions, trophies and special awards. This applies to 4-H exhibits, shows and contests. Members are asked to have their Project & Permanent Records available at Fair. Judges may ask to see your record book at any time.

**Graduating Seniors** – The Clatsop Co. 4-H Leaders Association gives each graduating senior a departing gift. These will be given out Monday night 6:30 PM at the All Exhibitor’s Meeting. The 4-H Leaders Assoc., Mitch Groat and Herb Howell scholarships will be awarded Saturday afternoon at the Special Fair Awards.

**Camping at Fair** – If you are interested in camping at Fair, the application is included in this packet. There must be a responsible adult leader or parent present at ALL camp sites. No person under the age of 21 is allowed to camp independently. **There is a strict no alcohol policy.** The application deadline to reserve your spot is July 16.

**Fair Booster Packages** – Fair Booster Packages are available from the Fair Board. Prices are $45 for 2 buttons, $65 for 3 buttons and $80 for 4 buttons. One (1) Booster Button is good for 5 passes to get in. You may use passes for your whole family on one day or just for one person to get in for five days. It’s up to you how you use them. Example: Pay $45 for 2 Buttons and get entrance for 2 people for 5 days or 10 people for 1 day. Either way you are getting a total of 10 admissions. Booster Form attached to this packet.

**Exhibit Release**
**HALL** - All 4-H static (Hall) exhibits will be released from 6 AM – 10 AM on Sunday, August 8. At this time you will receive your judges score sheets. It’s the member’s responsibility to make arrangements for exhibits to be picked up at the Fairgrounds between this time. **Even items going to State Fair need to be picked up.**

**ANIMALS** – All animals need to be picked up between 6 AM - 12 Noon on Sunday, August 8. All pens & stalls need to be stripped and cleaned before dismissal. No early releases will be allowed except for designated dairy animals.

**Fashion Revue**
July 28, 5:30 - 8 PM at the 4-H Club House and public appearance at Fair on Saturday, August 7, Noon. 4-H members must attend both events to be eligible for premiums and State Fair consideration.

The 4-H Fashion Revue is an opportunity for you to model your knitting, crocheting and clothing projects. There is also an “Off the Rack” class where the youth do not have to sew anything. Modeled items can be purchased from a store and they don’t even have to be new. Participants need not be enrolled in the clothing project to participate in the Off-the-Rack classes, registration is due by July 21. Participants gain self-confidence and poise.
The Chicken Coop

Sponsored by the Clatsop County 4-H Leaders Association

Helpers need to:

Be able to count back change
Wash hands before beginning
Wear clean clothes while serving
Pull back hair (if necessary)

All clubs will be asked to work at least one shift

There may be a Food Handling Clinic held prior to Fair (though not required to work in the Chicken Coop, it will be an additional educational opportunity)

Market Auction

Members selling market animals need to have someone watching who buys your animal so you can deliver your Thank You gift easily.

Wristbands will be available to adult Chicken Coop helpers (those not already leaders) prior to Fair during the hours below:

- July 15–July 30 at the Ext. Office Monday – Friday 8 AM – 4:30 PM
  OR
  at Fair on
  • Sun., Aug. 1 12 Noon – 8 PM
  • Mon., Aug. 2 8 AM – 8 PM

To get your wristband you need to provide:

- Name
- Club name
- Time of your shift
- Phone number
CONTESTS at Fair

Tuesday has been designated as Judging Day for Livestock, Horticulture, Poultry/Rabbit/Cavy, Llama and the Horse Judging Contest written exam, as well as Flower Arranging. The contests are spread throughout the day in hopes of allowing anyone enrolled in these projects to participate. Judging Contests are open to all members. You do not need to pre-register for any judging classes.

- **Livestock Judging Contest** (Tuesday, 9 AM – Noon) will consist of classes of sheep, beef, swine, ID classes for breeds, meat cuts and grains. All youth are encouraged to participate. (Oral reasons will be optional for all members but score will reflect your decision.) Only those livestock members with other 4-H duties at that time will be excused for this contest.

- **Horse Judging Contest** (2 days) begins at 9 AM on Tuesday with the written exam and the conformation and oral reasons judging at 4 PM on Thursday.

- **Flower Arranging Contest** is a timed contest that starts at 11:30 AM on Tuesday. Each age division will have 20 minutes to complete their work. Again, you must be enrolled in the Horticulture/Home Environment projects to participate in the contest & be pre-registered by July 6. **We ask that everyone bring their own clippers and any flowers you may have in your garden (or your neighbors/friends).**

  Cloverbud (K-3) members will go after the enrolled 4 –12 members. Those who are not signed up in Horticulture or Home Environment will also be put on a waiting list, and will be able to make their arrangements with those flowers that are left over after the K-3 members.

- **Horticulture Judging Contest** will consist of weeds, insects, plants, vegetables, diseases and herbs. The event will be a drop-in event held from 12:30 - 2:30 PM on Tuesday. Adults are also welcome to challenge themselves by taking the test – come on by and give it a whirl!

- **Rabbit/Cavy/Poultry Judging Contest** will be held at Fair on Tuesday, 2:30 - 5:30 PM in the small animal arena. It will consist of classes of poultry, rabbit and cavies and include breed ID, written exam and oral reasons.

- **Llama Judging Contest** will be held on Tuesday from 6 – 8 PM

- **Dog Judging Contest** will be held on Thursday at the end of the show.

- **Dairy Goat Judging Contest** will be held Friday morning from 9 AM – 11 AM.
STATIC/HALL Exhibits

**Labels** - Identification labels are required for exhibits in clothing, knitting, crocheting, ceramics, wool, food preservation, educational displays, and all expressive arts. Read the Exhibitor Guide for placement and content of labels. Labels consist of your name, county, and class number, and are used for ID if the exhibit tag comes off.

**Exhibit Size** - Photographs and Educational Displays both have size requirements. Read your Exhibitor Guide.

**Explanation Cards** - An explanation is required for many of the hall projects (consult the Exhibitor’s Guide to see if your project requires an explanation card be attached). Their purpose is to give the judge an idea of the exhibitor’s level of experience and knowledge of the project. It is advised to have these filled out ahead of time. These can be picked up from the 4-H Office or downloaded from the state website at http://oregon.4h.oregonstate.edu/projects, choose your project area, then click Project Resources at the bottom of the page. Also they will be available on entry day. Please make sure these are filled out completely. Judges will not be accepting them if not completely filled out.

**Exhibit Tags** - All exhibits must have a completed exhibit tag securely attached. These are available at the Extension Office or at Fair check-in. Again, it is advised to fill these out ahead of time if possible.

**Delivering Static (Hall) Exhibits** - Members should bring all non-animal projects including eggs and wool to the west side of the Exhibit Hall on Sunday, August 1 from Noon to 6 PM.

This year only a few hall items need to be pre-registered. These are computer, flower arranging, table setting, videography and economics/business. All other hall (static) exhibits may be brought to entry day on Sunday without being pre-registered. However, the member must be in the project area and have turned in a record for the project area by June 3rd. Please read through the Exhibitor Guide and determine the class number prior to entry day. Call the office you have questions on a class number. (Removing pre-registration from hall items is a trial this year. If it works well, we will continue it. If it is too chaotic at check-in, we will go back to pre-registrations. So, please plan ahead!)

**Interview Judging** - Judges will be available for interview judging on all items except: creative writing, forestry, horticulture, eggs and wool. Four different judges will be available. When you enter your project with the clerk they will give you a number (example: Clothing 2, or Art 10). All those members waiting will be seated in a general waiting area. You will be called up by your number as needed by each judge. When you finish judging (example: clothing), you will go back to the general waiting area until (Art 10) is called. Hopefully this will help speed up the waiting process. Just a reminder: Some members may bring 10 things up for one judge to look at. This does take time. Please remember to be patient. If the judge takes the time with other members, they will also take time with you. Your consideration of others will be greatly appreciated! Remember to remove your hat and take out your gum before visiting the judge!
**Foods/Food Prep** – Members should know nutritional information of the items they make. When entering food preservation items, the member should be able to tell the judge about the PROCESS they went through to complete the exhibit. And remember, experienced members should be challenging themselves and making more challenging projects.

- Food Recipes - Recipes must be included for food exhibits. Put your recipe on the “4-H Foods Exhibit Recipe Card,” which is available at the Extension Office. When selecting your recipe format please refer to the publication “Choosing and Using Recipes” (4-H 91132). Fair staff will put your recipe in a page protector sheet and place it in our recipe collection notebook.

- Quick Bread – There are two different classes for QUICK BREADS. One is made with liquid oil added to the dry ingredients (muffin method) and the other is where the fat is semi-solid (shortening-biscuit method) and is cut into the dry ingredients. Be sure to look at your recipe and fill out your paperwork for the right class.

**Canning** – Fair exhibit explanation cards need to reference the source. If using the Ball Blue Book, the 2006 & 2009 versions are accepted. Anything prior to those versions is not accepted.

**Herbs** - There is an information sheet available in the Extension Office for those exhibiting Herbs at the Fair. It focuses on how to select and prepare your exhibit.

**Tomatoes** - When the members bring tomatoes to Fair, the stems and sepals should be removed when exhibiting.

**Art Projects** – There are two classes of art; Original and Non-Original. Original is where you do everything, no stamps or patterns are used. Non-Original is where you have used pre-made elements to complete your entry such as rubber stamps, pattern design, etc.

*Be sure to read the requirement for each project very carefully prior to coming to Fair. If you have questions about a class, call the office.*

**Exhibit Release**

HALL - ALL 4-H static (Hall) exhibits will be released from 6 AM – 10 AM on Sunday, August 8. At this time you will receive your judges score sheets. It’s the member’s responsibility to make arrangements for exhibits to be picked up at the Fairgrounds between this time. **Even items going to State Fair need to be picked up.**
ANIMAL SCIENCE – General

Pen, Stall, Cage Requests: 4-H key club leaders will pick up Club Pen & Stall Request Forms from the Extension Office. All leaders must indicate the number of stalls, pens or cages needed on the specific form. Please plan to pen animals together when possible. Do not include tack space. You are not guaranteed the amount of space requested. The Superintendent will do their best to accommodate your requests. Each club leader should fill out one form per species for the entire club. Club Pen and Stall Request Forms are due to the Extension Office 6 PM on July 6.

Delivering Animals: All Large Animal and Horse exhibits may be entered on Sunday, August 1 (optional entry), 3 - 8 PM. All Small Animal, Livestock or Horse exhibits may enter Monday August 2, 8 AM - 6 PM. All animals must be in place by 6 PM Monday.

Vet Checks:

Erysipelas - All pigs (breeding & market), must be vaccinated for Erysipelas before coming to Fair (this means 2 shots given). The Market Auction Committee gave one shot at Spring Weigh-In. Check with your producer to get documentation of the first shot. If you are unable to get this info, you need to contact a veterinarian. Withdrawl times must be met. Please call the Extension Office at: 503-325-8573 if you have any questions.

Horses - Horses must be inoculated for flu, tetanus, West Nile Virus, and rhino pneumonitis upon entry. Inoculations must be current. Horse members should be prepared to show evidence that these vaccines have been administered.

Dogs - Members bringing their dogs to County Fair are required to have their dogs currently vaccinated against rabies, DHLP, bordetella, and Parvo Virus. No health certificate is required. However, if a dog has a visible skin or physical problem, a certificate from a veterinarian is required indicating that the condition is not contagious nor harmful to the dog or other dogs during competition.

Small & Large Animals - Health checks will be conducted - Animals with obvious signs of disease and/or internal or external parasites will be sent home and must be quarantined from all other animals until removed.

Eggs and Wool: These items should be entered on Sunday with the static (Hall) exhibits. Contact the Extension Office for special circumstances.

Meetings at Fair: Monday night at 6:30 PM is an “All Animal Exhibitor Meeting” in the indoor arena. This is a mandatory meeting for all animal members. Senior awards will be given out at this meeting. Each morning at 8:30 AM there is an Animal Exhibitor Meeting.
Showmanship Show Attire Guidelines
By now all 4-H members should be aware of what constitutes appropriate attire when participating in showmanship at County Fair. Just in case anyone missed it…

“All exhibitors should be neat and clean with their hair combed. Shorts, hats, (except cowboy), sandals and tank tops and T-shirts depicting drug, alcohol, and tobacco products or containing inappropriate language are not allowed in the show ring. No revealing clothing will be allowed at any time…”

Let’s put it even plainer…
- Guys and gals . . . wash your hair.
- Girls with long hair should tie it back and bangs should be out of the eyes.
- Wear closed-toed shoes that stress safety. (Ever had a steer or even a pig step on your foot in the ring?) Enough said.
- Good rule of thumb…if your shirt contains any writing on it at all, other than the 4-H or FFA emblems, don’t wear it.
- No one wants to see cleavage. Front or rear. Check yourself out in the mirror at home wearing your showmanship duds. Bend over. Is something showing that shouldn’t be? If so, find a different outfit.
- Your cow may chew its cud, but no kids with chewing gum please!

Showmanship is stressful enough. It’s so much easier to relax and do your best when you’re not worried about hiking up your baggy jeans or pushing your hair out of your eyes. The judge knows what he or she wants to see in the show ring. Do yourself a favor and follow the guidelines and have fun.

Conformation dress should be the same as Showmanship dress.

Herdsmanship: Judging of Herdsmanship will be from 9:15 AM to 6 PM Tuesday through Friday and Saturday morning.

Bedding for Fair: The bedding for Fair is being donated by Hampton Mill from Tillamook. Thank you Hampton! It will be hemlock shavings. We will only be getting 2 drops this year, so use the chips sparingly so we do not run out. The straw will be the same as last year. If either of these types of bedding is not to your liking, please feel free to bring your own.

4-H/FFA Members: 4-H members who are also FFA members must not show the same animal in both programs. Members must use an animal that they exhibited in the 4-H division for their 4-H showmanship class. Only animals that were shown in the 4-H division at County Fair are eligible to be shown at the State Fair in the 4-H division.

Dog Crate Rule for Fair: All youth exhibiting dogs in the Clatsop County Fair are asked to keep their animals in a crate or approved holding pen. Safety is a concern anytime you have the public coming through shows and show areas. If you don’t have a crate, you may ask your club leader or other clubs to see if you can borrow one, but do so prior to Fair.

Pullorum Testing: The Oregon State Department of Agriculture has required all classes of poultry, regardless of source of stock, to be tested for Pullorum a the County Fair.

Animal Exhibit Release
ANIMALS: All animals need to be picked up between 6 AM and Noon on Sunday, August 8. All pens & stalls need to be stripped and cleaned before dismissal. No early releases will be allowed except for designated dairy animals. Premiums will be withheld if you do not adhere.
**ANIMAL SCIENCE – Market Animals**

**Market Animals:** All members must turn in their Clatsop County Market Animal Health Record(s) with COOL Affidavit to the scale before they are allowed to cross for final weigh-in. Beef animals must also submit a transportation certificate and brand inspection form (E-slip).

The Clatsop County Junior Market Auction Association is responsible for the Market Animal Rules and for conducting the Market Auction.

**Auction Buyer Appreciation Gifts:** There seems to be some confusion as to what is appropriate for a buyer’s gift. This gift should not be about money. A simple thank you card with a sincere hand shake, a plate of cookies with a card, a *small* gift basket (not over $20) would be appropriate. Maybe you are artistic…you could make a scrapbook card or a small gift. A gift that is handmade means more than anything that can be purchased. Expensive gifts are not appropriate. These buyers are purchasing the animals at an above-market price because they want to support YOU, the youth to help you out financially. They do not want, or assume they will be getting a gift worth $50 or $100…that defeats the purpose. Please keep this in mind when you are choosing your gift. And remember, no alcohol beverages can be given from youth.

**Sheep and Goat Information:** Regulations have been developed in hopes of eradicating Scrapies in the U.S. by 2010. Scrapies is a transmissible spongiform encephalopathy (TSE) disorder in sheep and goats.

As of November 19, 2001, all breeding ewes, rams, and lambs, (wethers included); and all dairy, angora, meat, and pygmy goats (under 18 months of age) that will be shown or sold will need to be ear tagged or tattooed with a USDA Scrapies Identification Tag. Stay at home animals do not need to be tagged. Tags and tag applications are free of charge and can be acquired by calling the USDA office in Salem at 866-873-2824. Sellers must provide flock of origin information at time of sale. Records must be retained for five years. All animals must be tagged prior to Fair.

**Required Fair Weights for Market Auction Animals:**

- **Beef** – Steer only: 900 lbs. minimum
- **Lamb** – Ewe or wether: 100 lbs. minimum
- **Swine** – Barrow or gilt: 210 – 280 lbs.
- **Goats** – Wether or does: 60 lbs. minimum
- **Turkey** – Hen (under 1 year): 10 lbs. minimum
  - Tom (under 1 year): 17 lbs. minimum
- **Chicken** – Fryer Pen of Three (under 8 weeks): 4 – 6 lbs.
  - Roaster Pen of Three (8 -16 weeks): over 6 lbs. min.
- **Rabbit** – Fryer Pen of Three (under 69 days): 3 ½ - 5 lbs.
- **Ducks** – Pen of Three (less than 12 weeks old): 5 – 8 lbs.
- **Geese** – Single gander or single goose (less than 20 weeks old):
  - 8 – 15 lbs.
- **Squab** – Market Pigeon - Pen of 3 (25-35 days) 12oz - 24oz.
  - (per each bird)

**Attention – Small animal market projects:** There will be a Small Animal Weigh-In for market animals following the Mandatory All Animal Exhibitor Meeting on Monday, August 2 at Fair in the Small Animal Arena. Rabbit/Cavy and Poultry Health Records are due at the scale at that time.
Here are a few withdrawal times and general guidelines for commonly used small animal treatments. As with any treatment on an animal intended for human consumption, withdrawal periods must be strictly adhered to:

- Piperazine (liquid wormer): 21 days rabbits; 14 days chickens & turkeys. DO NOT USE IN WATERFOWL

- Advantage® topical for cats (commonly used on rabbits/cavies): NOT INTENDED FOR USE ON ANIMALS RAISED FOR HUMAN CONSUMPTION

- Ivermectin: A broad-spectrum anti-parasite medication traditionally used to de-worm, but is effective on other parasites. Injectable has an 8 week slaughter withdrawal for rabbits; therefore NOT SUITABLE for use on FRYER PENS

- Permethrin (de-louse powders): No withdrawal for rabbits or poultry

- Sulfadimethoxine: A coccidiostat commonly given to poultry. Chickens and Turkeys - Withdraw 5 days before slaughter. Do not administer to chickens over 16 weeks (112 days) of age or to turkeys over 24 weeks (168 days) of age. Hatch dates are required for poultry on the Health Record.

- Sulfatoxanil: A coccidiostat given to chickens, turkeys, and rabbits. Withdrawal for chickens & turkeys is 3 days. Withdrawal for rabbits is 7 days.

Frontline® should never be used on rabbits or cavies as it may cause convulsions and death. According the manufacturer, Advantix® is not toxic for topical use in rabbits (LD50 2000 mg/kg), but experienced breeders will tell you never to use it on rabbits or cavies. It is important to note that use of products such as Frontline® on rabbits and cavies is an "off label use" and has never been recommended or approved by the manufacturer. This is often the case with most drugs used on small animals.

Please be sure to take extra caution when using a new product on your small animal. When in doubt, ask a veterinarian who has experience working with small animals such as rabbits and cavies or ask a knowledgeable and experienced breeder that you trust. Remember, for small animals in the Market Auction program, some treatments are not intended to ever be used on animals that are raised for human consumption.

### Swine (Market Animal) Photo Schedule

Clubs scheduled to help with market animal swine photos:

**Tuesday**
- 5:00 - 6:00 PM Lewis & Clark Livestock
- 6:00 - 7:00 PM FFA
- 7:00 - 8:00 PM Melville Livestock
- 8:00 - 9:00 PM Hogs 'R Us
- 9:00 - 10:00 PM Grunts & Moos

Each time slot needs 3 pig-experienced helpers & food for the pigs during photo time.
Resources

Biography of Judges: This will tell you a little about the judges and their likes and dislikes in the show ring. Use this to prepare for the show. (Not all judges submitted a biography).

- **Beef, Large Animal Master Showmanship**
  Tom Hill
  President Ankony-Teixeira Cattle Company in Terrebonne, Oregon. Previously was on the faculty at Oregon State University for 22 years. Has judged cattle shows in 23 states including the National Hereford Show and National Shorthorn Show. Is a graduate of Cal Poly San Luis Obispo and has a Masters Degree from OSU. No need to overshow and be dramatic in the ring.

- **Dairy**
  Bruce Anderson
  He and family milk 120 Jersey cows. Enjoy showing at local fair and Western National Jersey Show. Sometimes when we have more money than brains we show at Louisville, The National Jersey Show. I am on my Milk Coop Board of Directors and wife is very active on the Washington State Products Commission Board. We enjoy watching our granddaughters show their Jersey calves.

- **Dog**
  **Dog Obedience**
  Sue Giles-Green
  I have been working with people and their dogs since 1976 – been involved with 4-H for 39 years. Been a 4-H leader and judge for 27 years. I love the program and all the people in it. Go 4-H!
  No double commands, no corrections unless I tell 4-H'er to do so. Loose leashed, smile and have fun!

  **Rally Dog Obedience**
  Liz Mersereau
  This is my 18th year as a Clark Co. WA dog leader and 4th year in charge of the rally for the county. I show and train Nova Scotia Duck Tolling Retrievers. Gracin, my pup, earned his RN title at six-months old, three shows in two days. My older female has her RE.
  Rally is supposed to be fun for both dogs and handlers. I like to see loose leads and lots of praise and talk in Novice and Advanced levels. I am always open for questions but once I say “forward” and judging begins, I can’t and will not answer questions so please ask beforehand. I like to see 4-H'ers succeed but will not give a blue ribbon to a white performance.
  Signs are pretty to understand but during the walk-thru I am there for questions. If there are more questions than walk-thru time allotted, I don’t mind taking more time. If kids have questions, they need them answered prior to starting.

  **Dog Agility**
  Jill Harding
  No bio received prior to printing.

- **Goats: Meat, Dairy, Pygmy and Fiber**
  Marianne Velliquette
  Owner (with husband) of K-P's Family Farm east of Clatskanie. Raise rabbits and quail commercially. Nubian goats – use milk for quail and raise 3-4 pigs on it each year. Have 2 grown children. Showmanship includes knowledge of the animals and I ask a lot of questions.
• Horse  
Gail Mann  
No bio received prior to printing.

• Llama/Alpaca  
Adrienne Lulay  
She is working on a PhD in Reproductive Physiology in Animal Science at OSU. I have been involved in raising, showing and packing with llamas for 15 years. Raised in Corvallis and Oregon City.

Neat and tidy for Showmanship. If it is very hot, lighter clothing is fine as long as it is appropriate for showing large animals. Closed-toe shoes.

• Pocket Pets, K-3 Small Animals  
Rebecca Smith  
I was a 4-H member for 8 yrs – 18 yrs. My projects included Dairy Goats, Market Swine, Demonstrations and eventually Teen Leadership. Where I was a WA State 4-H Ambassador, and represented my state at National 4-H meetings. I currently own two pet stores in Astoria and Longview. I have worked at The Pet Works since 1994. Having owned every type of pet, except ferrets. I currently breed Polish Dwarf bunnies. I have 4 dogs and a planted aquarium.

Being “old school” 4-H, I prefer to see clean, healthy animals. I also like to see participants with more than adequate knowledge about the species of animal they own. It is important to me to see kids take full responsibility for their animal, and understand the commitment it takes to give them a good, healthy life.

In fitting and showing, it is important to me to see the participants trying to accentuate the positive features of their pets, while downplaying the negatives. I will be taking age into consideration with each child. I am excited to be able to do this.

• Poultry  
Jim Adkins  
Bio not received prior to printing.

• Rabbits/Cavies, Small Animal Master Showmanship, Cats  
Katie Paaso  
No bio turned in prior to printing.

• Sheep, Swine, Livestock Judging Contest  
Jared Collins  
Jared is the new advisor at Sherman County High School. He received his Master’s in Agricultural Education from OSU this spring. He judged for LBCC and OSU Judging Teams. He now lives in Corvallis. He grew up in Yamhill, Oregon, and raised Suffolk lambs and Manager of the OSU club lambs.

Sheep: Lambs must be clean, including ears and feet trimmed. I believe lambs should be clipped with a lister type clippers if club lamb/market type sheep. I do not care if showmen or showwomen show standing up or down, whatever they think makes their animal look the best.

Swine: Body clipped, not all the way to skin, leave about ¼” of hair – clean pigs!
Quiz Bowl Machine
Remember the office has a Quiz Bowl machine that can help you prepare for fair. Call the office to reserve it for one of your meetings.

Project Kits
As you continue preparing for the judging contests, remember we have the animal project kits available for your use. Because we use them for the contests, we ask that they are returned to our office by July 15 so we can make up the judging contests as needed.

County & State Fair Questions

County Fair: If you have any questions about filling out your Pre-Registration Forms or other Fair related questions, contact the Extension Office. We are open from 8 AM – 4:30 PM and would be happy to work one-on-one with you to get your questions answered. Call or email us with questions, (503) 325-8573.

Animal Questions: Jeanette Sampson at jeanette.sampson@oregonstate.edu

All Other Questions: Sandra Carlson at sandra.carlson@oregonstate.edu.

State Fair: If you have questions about the Oregon State Fair schedule/classes, or for general 4-H printed material info check out the State Fair website at http://oregon.4h.oregonstate.edu/state-fair
Small and Large Animals - Intermediate and Senior animal science exhibitors that have earned a blue ribbon in either showmanship or conformation/obedience are eligible to show at State Fair. All animal members that plan on showing at State Fair must fill out a State Fair Registration Form in the 4-H Fair Office by Saturday morning at Fair.

Horse - All horse members that plan on showing at State Fair must fill out a State Fair Registration Form in the 4-H Fair Office by Saturday at Fair or at the Monday night after Fair meeting. To qualify for State Fair in showmanship and equitation (hunt seat, saddle seat, or western), contestants must have received a minimum combined score of 170 (in equitation and showmanship) at their County Fair, and each individual score must be 80 points or higher. In addition, they must have used the same horse in both classes. Contestants may ride in only one equitation class at State Fair. If members qualify in more than one seat and both seats are blue ribbon scores, they may choose which seat to ride at State Fair. If one seat was a blue and one was a red, they must ride the blue ribbon seat. There is no maximum or minimum number of contestants a county may send to State Fair. Intermediates and Seniors only qualify for State Fair. There is a State Fair meeting for all horse members planning to go to State Fair the Monday night after Fair week.

Static (Hall) Exhibits - Junior, Intermediate and Senior 4-H members are eligible to send static exhibits to State Fair if they were marked “Selected for State”. The Extension Office will provide new State Fair tags to replace the County Fair tags along with a State Fair check sheet on what requirements are needed for your project (example: clothing—a label with member’s name and class number needs to be sewn onto the garment). All Explanation Cards need to be filled out completely.

Please deliver your State Fair static exhibits to the back parking lot of the Extension Office on Monday, August 23 from 7 AM – 10 AM (all but Horticulture & Eggs). Please make sure all tags and needed Explanation Cards are attached. These will be taken down to Salem that day.

Horticulture Exhibits - Please deliver your State Fair horticulture exhibits to the Extension Office (inside) on Tuesday, August 24 from 8 AM to 1 PM. Vases will be provided for cut flowers at the State Fair. If you provide a vase or pail that needs to be returned, please label. Make sure you follow guidelines on the sheet provided with the tags. Please make sure all tags and needed Explanation Cards are attached. These will be taken down to Salem that day.

Presentations, Food Contests and Fashion Revue - These contests were held prior to Fair. If you where selected to go to State Fair, we need to know if you plan on attending by July 29th for scheduling. Transportation to and from State Fair is your responsibility.

Dorms at State Fair - Dorms are available for Int. and Sr. members showing at State Fair. A male and female chaperone from Clatsop County must be designated for them to attend (ratio is 1 – 10). Dorm cards will be available in the 4-H Fair Office. Sign up by Saturday.

Camping at State Fair - Camping is available: $15/day for dry camping, $20/day with electrical hook-ups, $25/day for full hook-ups.

Full hook up or electric only spaces in the campgrounds are available by reservation only, by calling 1-800-452-5687 beginning July 6. These are very limited in number. First-come, first-serve basis. When lots are full, no more camp tickets will be issued. Phone tip: call the number above, choose option 1 (for State Parks), then choose option 3 (facility other than tent or hook up campsite or yurt).
Entries must be pre-registered by July 6 in order for the project to be shown at Clatsop County Fair (excluding most hall projects). The office will be open until 6:00 p.m. on July 6 to accommodate those with questions.

(followed by Meat Animal Market Auction)

SUNDAY, August 8

6:00 am - Noon  
Release ALL 4-H/FFA Animal Exhibits

6:00 am - 10:00 am  
Release ALL Hall Exhibits
Animal Project Scenarios for Pre-Registration

1. Swine project

**Scenario #1.** If you have two male pigs...
You should register for:
- Swine Showmanship (Novice, Junior, Intermediate or Senior class)
- Market Hog

After weigh in, if one is over or under market weight, then you will be responsible to tell the Superintendent to enter the swine into a feeder or overweight class. This would be the only possible class it could go in. If they both make market weight, then your second pig can go home, stay and not be in a class, or be your showmanship pig. *We can easily scratch a class, but we cannot add a class.*

**Scenario #2.** If you have one male and one female pig...
You should register for:
- Swine Showmanship (Novice, Junior, Intermediate or Senior class)
- Market Hog
- Breeding (Gilt Class) that the female would show in

After weigh in, if the male is going to be your market hog, you can show the female in the breeding class because you signed up for it. If you did not pre-register for the breeding class, then you cannot show in it. If the male is over or under weight, then you will be responsible to tell the Superintendent to enter the swine into a feeder or overweight class. If the female is going to be your market hog, all you have to do is scratch the gilt class as your female can not show in both.

**Scenario #3.** If you have two female pigs...
You should register for:
- Swine Showmanship (Novice, Junior, Intermediate or Senior class)
- Market Hog if you intend for one of them to be market
- Breeding (Gilt Class) that one female would show in
- Breeding (Gild Class) if 2nd pig falls into a different age and/or breed category

After weigh in, you will need to tell the Superintendent to scratch whichever breed class your market hog would have been in since it will fit in the market class and not breeding. The other will be in the breeding class.

2. Sheep

**Scenario #1.** You have Romney, Suffolk and Dorset on your farm. You pre-register for Romney and Dorset classes. The day of fair, you decide you want to bring a Suffolk. You have not registered this breed; therefore, you cannot enter it. You should register for:
- Sheep Showmanship (novice, junior, intermediate or senior class)
- Romney class(es)
- Suffolk class(es)
- Dorset class(es)

*We can easily scratch a class, but we cannot add a class.*

**Scenario #2.** You plan on bringing two lambs to fair but you don’t know which one will be your market lamb until after weigh-in. If they are both females, you should register for:
- Showmanship
- Market Lamb
- Breeding (appropriate class for breed and age) (List only once if both would fall in the same class.)

After weigh-in, if they both make weight, you will need to decide which one will be your market lamb and let the sheep superintendent know. *We can easily scratch a class, but we cannot add a class.*

-continued-
Scenario #3. You plan on bringing two lambs to fair but you don’t know which one will be your market lamb until after weigh-in. You should register for:

- Showmanship
- Market Lamb
- Breeding classes (appropriate class for breed, age, and sex)

After weigh-in, neither lamb meets weight requirements. If one is over-weight, it can be entered in the breeding class as long as you have pre-registered for that class. If it’s a wether, and it’s under-weight, it could be placed in the feeder lamb class. It is your responsibility to tell the 4-H Fair Office to enter it into this class. If you do not place it in the feeder class, there is no other class to place a wether so it could go home, stay and not be in a class, or be your showmanship lamb. *We can easily scratch a class, but we cannot add a class.*

### 3. Poultry

Scenario #1. You plan on bringing 5 birds to fair. You choose:
- Non-Standard Bred Large Fowl, pullet
- Cross-Bred Large Fowl, hen
- Non-standard Bred Bantam, cockerel
- Cross-Bred-Bantam, hen
- APA Standard Bred Goose, young female

The day of Fair, your Cross-Bred Large Fowl is sick, you would like to bring a Standard Bred-Bantam cockerel in its place. You would have needed to sign up for the Standard Bred Bantam class during pre-registration in order to do that. You would need to sign up for:

- Showmanship
- Non-Standard Bred Large Fowl, pullet
- Cross-Bred Large Fowl, hen
- Non-standard Bred Bantam, cockerel
- Cross-Bred-Bantam, hen
- APA Standard Bred Goose, young female
- APA & ABA Standard Bred-Bantam, cockerel

At fair, we would scratch the Cross-Bred Large Fowl. If you had not pre-registered for the APA & ABA Standard Bred-Bantam during pre-registration, your bird would not be able to be entered at fair..you would be taking it home. *We can easily scratch a class, but we cannot add a class.* *A maximum number of 20 birds can be pre-registered.*

### 4. Rabbits

Scenario #1. You have 6 different rabbits at home. You plan on bringing 4 of them to fair. You choose to bring: Satin, New Zealand, Dutch and Holland Lop. The day of fair, the Satin is molting. You would like to bring a Checkered Giant in its place. You can do this ONLY if you had pre-registered for all five (5) classes. It is wise to register for all of the animals you could possibly bring. (I would register for all 6 rabbits that you have at home.)

- Showmanship
- Satin, pre-junior doe
- New Zealand, junior doe
- Dutch, junior buck
- Holland Lop, junior doe
- Checkered Giant, senior doe
- Mini Lop, senior doe

At registration, we will scratch the Satin and the Mini Lop. *We can easily scratch a class, but we cannot add a class.* *A maximum number of 20 rabbits can be pre-registered.*

### 5. Educational Displays

These are classes open to all 4-H members and are especially appropriate for those projects which have no specific exhibit classes or for locally developed projects. See fair book for details. Classes include: Animal Science, Home Ec., Expressive Arts, Natural Resources, Horticulture, Engineering, Citizenship/Leadership & Other.
Hall (Static) Project Scenario for Pre-Registration

In the past few years, pre-registration was required on ALL items/animals brought to fair. This last fall, we decided to make a change in the hall exhibits only (trial year). Most hall exhibits will not need to be pre-registered this year (all animal and non-hall projects will need to be pre-registered).

Some hall projects that need space requirements or materials do need to be pre-registered (K-3 members also need to pre-register for these following closes). **Those projects that need pre-registration in the hall area are:**

- Table setting (page 45 of the Exhibitor Guide)
- Business & Marketing (Young Entrepreneur) (page 47 of the Exhibitor Guide)
- Flower Arranging (page 47 of the Exhibitor Guide)
- Computer classes (that require a computer at Fair--page 28 of the Exhibitor Guide)
- Videography (page 46 of the Exhibitor Guide)

All other Hall (Static) projects can be brought to fair on Sunday without being pre-registered; HOWEVER, you must have signed up for the project by May 28 and turned in your project (& permanent) records by June 3 in order to bring a project in that category to Fair (example: you need to be signed up for art by May 28 to bring a drawing to fair).

**So, what does this mean?**

…I want to bring a drawing to Fair and I have enrolled in the art project, now what?

1) You do not need to fill out paperwork for July 6th deadline
2) The month of July, stop by the Extension Office and pick up exhibit tags and a Fair Exhibitor Guide (or your leader may do this.) Also available online at [http://extension.oregonstate.edu/clatsop/clatsop-county-fair-4-h-info#guide](http://extension.oregonstate.edu/clatsop/clatsop-county-fair-4-h-info#guide)
3) Go through the Exhibitor Guide and find the class number that corresponds with your project (original art drawing and sketching…class number 231 100 011-Junior)
4) Write this on your Exhibit Tag & Explanation card (all items need an exhibit tag and explanation card--no need to pre-register for this class).
5) Explanation cards need to be filled out COMPETELY for the judge to accept them.

**PLEASE take the time to determine your class numbers PRIOR to Fair.**

In order for entry day to run smoothly, class number questions need to be answered AHEAD of time. Some of them may even require a call to the State Office to see what class they fall under.

Again, this is a trial year of no pre-registration for hall classes. If entry day runs smoothly this year, members will hopefully have more opportunity to exhibit more items at Fair than in the previous years. If it does not run smoothly, pre-registration for all hall projects will be reinstated next year.
