

BEEF EXHIBITOR PEN & STALL REQUEST

Information on this form is necessary to provide information to the herdsmanship judges and for space allocation.
PLEASE SUBMIT TO THE CLATSOP COUNTY EXTENSION OFFICE BY Tuesday JULY 5, 2011.

Club Name _____

Person Submitting Form _____ Phone _____

Below you will find a layout of the ties at fair. We are asking you to fill in the amount of ties you will need at fair (with out tack pen). Please put the member's name next to each tie. Please write if the animal is a steer, heifer, calf, or cow next to the member's name. Larger cattle may need to be tied two per section versus three, but keep in mind that space is an issue. We have given an example in the 2 first blocks.

If you want your club all in one long row, please fill out the form that way. If you want them to back each other, please draw it that way. We will try to accomodate your design layout at fair, however assigning pens at the fair is like a jigsaw puzzle and there are no guarantees.
