

Oregon State University

Statewide CORE Pesticide Applicator Videoconference Training

Course Date: Wednesday, December 13, 2017
9:45 a.m. to 3:00 p.m.

**** Please note that this event is available statewide, so individuals need to contact their local OSU Extension Service office to see if they are participating (see list below) and to RSVP a seat!! December 1 is the last day for any extension office to sign up as a participating site. ****

Primary Contacts:

Kimberly Brown – OSU PSEP, Corvallis, OR (541) 737-6257. Kimberly.Brown@oregonstate.edu

Darrin L. Walenta – OSU Ext. Union Co., La Grande, OR (541) 963-1010. darrin.walenta@oregonstate.edu

Course Description: The *free* training session will be delivered simultaneously via video-conference to the locations listed above. The course is divided into two 2-hour sessions which allows participation in either AM or PM session (2 credits each) or both sessions (4 credits total). OR pesticide applicator re-certification credits earned during this training will count either as **CORE** or **general** credits. Please **RSVP** by contacting your local OSU Extension Service office and let us know you plan to attend.

****DISCLAIMER**** *The delivery of this training session relies solely upon video-conferencing technology, therefore, the organizer does not guarantee the program will be delivered in full if technical difficulties occur which prevent partial/full participation at any or all participating sites. Re-certification credits for the topics presented during the 2016 CORE PAT have received accreditation from ODA. In the event of program disruption (in either 2-hour session or both), re-certification credits will not be available for the part of the program impacted. Facilitators who experience program disruption can substitute content at the local level but will need to seek accreditation from ODA for the part of the program affected (however, there are no guarantees here either).*

Morning Session: (2 Oregon CORE/general applicator re-certification credits anticipated)

9:45 - 10:00 am	Welcome, Orientation and Local Updates – Host County Extension Faculty
10:00 – 11:00 am	Worker Protection Standards (WPS) – Kaci Buhl, OSU
