Win, Lose or Wash Game

Objective: To learn how germs spread

Supplies and equipment:

- 2 flip charts with easels or 8 flip chart size post-its to put on the wall.
- 2 or more markers.
- Cards with picture clues, 4 for each team.
- Stop watch

Before game begins: Set up two flipcharts with easels. Option: each team will need 4 pages of flip chart size post-its and put them on the wall or board.

Divide the kids into two groups. Each group will select a team captain who will select three people to draw. Other team members will try to guess what is being drawn that represents the ways we get germs.

A stopwatch will be set for 2 minutes. The team who has the drawer gets to guess first. If the responsible team fails to guess, the opposition gets a: 30 second try.

PICTURES CLUES for the Ways we get germs...

- Sneezing
- Coughing
- Drinking another’s drink
- Cut on your skin
- Door knobs
- Telephones
- Toilets
- Hair
