Horse Bowl & Hippology Teams Demonstrate Amazing Knowledge at National Contest

The Western Region National Horse Classic was recently held in Denver, CO. We sent a hippology team and a horse bowl team both competing to 9th place finishes and contributing to an overall 4th place for the State of Oregon. Other horse members from Oregon also contributed, including a horse judging team from Coos County and team and individual public speakers and presenters from around the state. All Oregon participants were strong competitors and enjoyed their time in Denver.

Our hippology team of Chrystal Bates, Lindy Perry and Kayla Vincent and the Horse Bowl team of Amanda Smalberg, Michelle Gant, Anna Shoffner and Madi Mills, have been preparing for months.

Practicing a minimum of once per week and studying, in some cases, daily. Additionally, they've been working various events to generate funds to pay for their trip. While the process has seemed a bit overwhelming, the results were outstanding. These young ladies learned an incredible amount of information and worked together to demonstrate these skills! Of course, they also enjoyed Denver, the stock show and the other 31 state's young people who participated in the various contests.

Noodles, Needles & Stuff

To all 4-H Home Ec & Expressive Arts Leaders, Superintendents & Volunteers:

As you all know this economic downturn has been very hard on Deschutes County, and 4-H is no exception. Because of this, my position will be eliminated as of January 15th. This decision has been a difficult one to make, but to keep the Deschutes County 4-H program strong, it was necessary. While leaving the program is hard for me, I know that it will continue to thrive under Candi and Todd's leadership, and that caring volunteers will step forward to take up the slack. There are many events and activities that I believe can be directed by volunteers to supplement the 4-H staff. Some of these are:

- Awards
- Cookie Camp
- COSA
- Fashion Review
- Harmony House Quilts
- Larkspur Festival
- Recognition Banquet
- Warm up America
- Fair Judging Day

If you are interested in any of these areas of leadership, please contact me before the 15th, or Candi at any time. I would like to talk to you in person about the future of this program at the next Advisory Committee Meeting, January 12th at 6 pm at the North Sister building. Please bring your questions, ideas and suggestions.

Again, it has been such a great run! I must say that working with you for the past several years has been an honor and a privilege! Thanks so much for all of your hard work and support for our program, and for your friendship!

Tina Hohman

Home Ec/Ex Arts Youth Rep for Executive Committee

We are still looking for a youth representative for the Executive Committee to represent Home Ec an Expressive Arts! Sheyl Katzke has agreed to be our adult rep! Thanks Sheryl!

Warm Up America

Because our numbers are very low so far this year in the knitting and crocheting projects, we will NOT be doing Warm Up America this year. Please encourage your members to continue to make the 9 x 7 afghan squares, but save them for next year. Making these squares is a great way to practice new stitches, and create something for a good cause! Over the last many years Deschutes County 4-H has donated nearly 100 afghans to local homeless shelters! Keep up the good work, and hopefully we'll do it again in 2011!!

Home Ec. & Expressive Arts Awards Person

Thanks and appreciation go out to Joy Mosier who has been handling our home ec. and expressive arts awards for many years! She has done a great job and we are very grateful for her dedication! This year however, Joy has decided it is time to pass the baton, so we are looking for a volunteer to take on this very important job! If you would be interested, please contact Reaza.
