# Market Animal Feed and Growth Record

Use a separate form for each animal raised

Type of animal raised (circle one):  
- Beef  
- Sheep  
- Swine

Member’s Name: _______________________________  
Club or Chapter: _______________________________

Animals Name: _______________________________  
Breed: _______________________________________

Description (color, sex, distinct markings, etc.) : ________________________________________________

---

**Fill Out either A or B**

**A. Animal raised from birth**

- Date of Birth ___________________________  
- Weight at birth ________________________ lbs.

- Date animal selected for project ______________  
- Estimated Value $ _______________________

**B. Animal purchased for project**

- Date of Purchase __________________________

- Cost $ ______________________  
- Weight at Purchase ______________________ lbs.

---

**Weight Record**

- A. Weight at Fair or Lamb Show ________________________ lbs.

- B. Weight at Possession Weigh-in ______________________ lbs.  
- Date ______________

- C. Weight gained between Possession Deadline and Fair/Lamb Show (A – B) ____________________ lbs.

- D. Days on feed (# of days between Possession Deadline and Fair/Lamb Show) ________________

- E. Average Daily Gain (Divide weight gained by days on feed C ÷ D) ________________________ A.D.G.

- F. Feed Efficiency - Divide total lb. of feed fed (below) by weight gained (lb. of feed ÷ C) ________________

---

### Financial Summary (this section cannot be calculated until after the sale of the animal)

- Cost of animal
- Feed & Care Cost
- Commissions, fees, check-off costs etc.

**Total Cost** (add all three costs above): $________________

- Weight at Fair/Lamb Show
- Sale price by the pound

**Total Sale Price**

(multiply Weight at Fair/Lamb Show by the Sale price by the pound)

**Calculate Income/Loss**

(subtract Total Cost from Total Sale Price)

**Commercial/Real World Market Value**

- Weight at Fair/Lamb Show
- Commercial price by the pound

**Calculate Commercial/Real World Market Value**

(multiply Weight at Fair/Lamb Show by the Commercial price by the pound)
