

What is 4-H Cloverbuds?

The Oregon Cloverbuds Program is an informal education program designed for children grades K-3. The Cloverbud Program gives youth the opportunity to:

- Focus on doing
- Participate in activities uniquely suited to their developmental age
- Grow and learn in a noncompetitive environment
- Participate in hands-on learning
- Learn appropriate life skills
- Develop positive attitudes
- Meet new friends
- Learn to work in groups
- Have fun!!

For more information about the Cloverbud Program contact:

Teresa Middleton 541-672-4461 or

P.O. Box 1165
1134 SE Douglas Avenue
Roseburg, OR 97470

A program for youth in Kindergarten through 3rd grade

**Extension Service
Douglas County**

How Can My Child Participate in Cloverbuds?

- As a separate group
- Affiliated with an existing community project club
- In the classroom
- In cooperation with other programs

Differences Between the Cloverbuds and Traditional 4-H

Cloverbuds

- Learning is activity centered
- Leader directed
- Recognizes participation
- Recognizes goals
- Resource: activity manual
- No large animals or shooting sports

Traditional 4-H

- Learning is project centered
- Self, individual and leader directed
- Recognizes competition and achievement
- Project manuals

What Do Cloverbuds Do?

Cloverbuds attend meetings that center around fun and learning activities. The OSU Extension Service has curriculum in areas of general interest to children including the following:

Aerospace

Bicycle Adventures 

 Exploring Small Animals

Exploring Farm Animals 

 Gifts of Gold (corn)

Kitchen Science for Kids 

 Family Celebrations
Around the World

Fun with Clothes 

 Just Outside the Door

About You and Me 

 Wild Over Work (WOW)

And much more!
