** 4-H allows leaders to set a maximum number of youth for their club. Clubs must be open to all potential members until the leader determines that the club has reached the maximum number of youth he or she is comfortable with. When the club is full, no new members can be accepted. Conflicts or problems with individual members or families need to be addressed with the 4-H extension agent.*

CLUB ASSETS DISBURSEMENT FORM

DIRECTIONS: Read the following information and complete the form. Keep a copy in your club secretary book and send a copy to your County Extension Office. Please complete and return the form annually even if your club currently has no money or assets.

Any club that handles money or acquires material assets should have a clearly defined and known procedure for disposing of the funds or assets if the club should disband. Money or assets acquired in the name of 4-H should continue to be used for that purpose even if the original club disbands. The following options are recommended: the Oregon 4-H Foundation, your County 4-H Leaders, or other approved charitable organization. Disbursement among the members and leaders of the club is not acceptable.
