Is your woodland ready for a change? Thinking about doing a thinning—either precommercial or commercial? How do you select which trees to leave or remove? How many? What size? We can help—come join us in the woods and learn stand improvement basics, including individual tree selection, timber marking, volume estimations using a woodland stick, and opportunities in the current market.

Please call the Douglas County OSU Extension Office at 672-4461 or 800-883-7568 or e-mail holly.burton@oregonstate.edu to register.

Refreshments will be provided!

If you require special accommodations related to a disability, please contact our office at least two weeks in advance.
