

UPCOMING COOKBOOK

The Master Gardeners and Master Food Preservers are putting their heads together to make the best cookbook around. You are invited to be part of it. Please, send us your favorite recipes and tips, (gardening or cooking tips) to be put into the cookbook. We want our cookbook to be one that everyone wants to buy.

The Recipe Sheet and Publication Information forms are available on our website, from a committee member or you can pick them up at the OSU Extension Office Plant Clinic.

Return your completed Recipe Sheets to any one of our cookbook committee members:

Lorena Remington, Doug & Geri Johnson, Rusdee Chastain, Leslie Farrell, Linda Thames, Philece Humphrey, Maureen Benice, Len Lanza, Deb Haynes, Dave Helsley, Joan Fedder, Cindy Rich or Pam Carroll. We also have a drop box in the Plant Clinic.
