

ing in your forest: edible plants, floral greens, moss, seeds and landscape plants are only a few of the products that can be harvested. We will discuss how to inventory plants, their uses, how to harvest, clean, prepare products for sale, and how to plant multiple-use species. Bring samples or any questions you may have.

**Instructor: Patrick Mooney, Oregon Herb & Craft Products, Creswell, OR.**

## 7C/D Mine Reclamation and Forest Health Issues on Nickel Mountain: A Tour

1:30-5:00pm • Field

A visit to a mine reclamation site on Nickel Mountain and an up close view and discussions of forest health issues including Port-Orford Cedar root rot; western gall rust and western gray squirrel damage in Jeffrey pine; and overall density management issues. The tour will be led by the landowner Rick Barnes who is also a professional forester and is the President of Barnes & Associates, Inc. a forestry consulting firm in Roseburg. Note: A bathroom is available on site.

**Instructor: Rick Barnes, Certified Forester and Owner, Barnes & Associates, Inc., Roseburg, OR.**

## 1D Invasive Forest Weeds

3:30-5:00pm • Classroom

This workshop will discuss common invasive weeds of southwest Oregon forestlands. The focus will be on identification of some of the most important weeds including different species of broom, knapweeds and thistles and distinguish the ones

to be most concerned about. The class will present an overview of general prevention and management strategies.

**Instructor: Richard Helliwell, Forest Botanist, Umpqua National Forest, Roseburg, OR.**

## 2D Biochar, a Forest Resource for Farm Soils?

3:30-5:00pm • Classroom

A demonstration and discussion of local technologies to convert forest “wastes” to biochar, a soil amendment that helps some farm and forest soils hold moisture and nutrients, improve tilth, and sequester carbon.

### DIRECTIONS & MAP

# campus map

**Be prepared for construction delays from I-5 to UCC**

**How to get to UCC**  
 Easy I-5 access. Take exit 129. If coming from the south, turn left at the stop light, and right onto Umpqua College Road. If coming from the north, turn left at the stop sign, and left at the next stop sign, turn right, less than a quarter mile, at Umpqua College Road. Umpqua Community College is about two miles down the road.

**Parking**  
 Umpqua Community College provides more than 1,000 parking spaces conveniently located near all the campus buildings. Of these, about 130 are assigned to college faculty and staff. Assigned spaces are marked by a white curb and a “faculty and staff” sign. Students are free to park in any of the unassigned parking spaces.

Yellow areas are considered restricted lanes and zones.

**Visitor Parking** — Areas that are clearly marked Visitor Parking are reserved for non-student activities. However, visitors to the college may park in any unassigned parking area.

**Disabled Person Parking** — Special stickers are required for parking in clearly marked Disabled Parking spaces. These stickers are issued at the Oregon Division of Motor Vehicles.
