Manure and Mud Management

WHEN: 7:00-9:00pm, Thursday, October 7
WHERE: Douglas County OSU Extension Office,
       1134 SE Douglas Ave, Roseburg
SPEAKER: Shelby Filley, Regional Livestock and Forages Specialist, Douglas County OSU Extension
COST: $10

⚠️ Please preregister by Tuesday, October 5.

Summer is nearing an end and the rains are already here. Livestock in small pastures, paddocks, or other confined spaces can be up to their knees in mud before you know it. You still have time to take action and improve those high traffic areas. If you want to reduce mud around your cattle, sheep, horse, or other livestock pastures this year, you don’t want to miss this class. Composting and fertilizer value of manure will also be discussed.

Please call the Douglas County OSU Extension Office at 672-4461 or 800-883-7568 or e-mail raini.rippyl@oregonstate.edu to register.

If you require special accommodations related to a disability, please contact our office at least two weeks in advance.
