

MENTORED MANAGEMENT PLANNING SHORTCOURSE

Need a forest management plan?

Write one with the help of your local OSU Extension Foresters!

Lauren Grand – Lane Co. & Alicia Jones – Douglas Co.

Over the course of 4 classes, write a forest management plan that is tailored to your property and your woodland management goals. You will be paired with an experienced landowner or forester to help you through this process and provide an on-site visit of your woodland.

A forest management plan is:

- Required to participate in the Oregon Tree Farm System
- The foundation for sustainable forest management
- A valuable communication tool for your family
- Something you can write on your own and save on consulting costs!
- A valuable investment for the future of your forest

**MARCH 6, 13, 20, & APRIL 3
6PM – 8:30 PM**

North Douglas High School - Drain, Oregon

\$40 per family (1 set of materials per family provided)

Questions? Contact Alicia at (541) 672-4461 or alicia.jones@oregonstate.edu

Accommodations for disabilities may be made by contacting Holly at (541) 672-4461 or extension.douglas@oregonstate.edu

Register online, in person, or over the phone by Feb. 25
