To: *Managing Pantry Pests*

This lesson is being taught to Family and Community Education (FCE) study groups in several counties. OSU Extension Service asks you to take 5 to 10 minutes to fill out this evaluation so that they can assess the impact that the lesson may have on you.

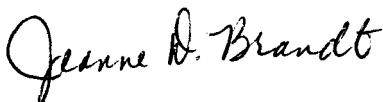

The completed forms will be forwarded to OSU by the county Extension office. Your response, together with others, will be combined and used for statistical summaries only. The summary of findings will be included in the 2011 Extension Family and Community Development program's annual report that will be shared with OSU Extension Administrators. The information may also be included in reports of Extension accomplishments. You're welcome to see the result if you like.

Your participation in this evaluation study is **VOLUNTARY**. You may choose not to participate. You are free to answer only those questions that you feel comfortable answering. The information that we acquire from you will be kept confidential to the extent permitted by law. No one will know whose responses are whose. Only the county name will be on the form. Please be sure **NOT** to put your name or any identifying marks on the evaluation form.

There are no foreseeable risks associated with your participation in this study. Your feedback will help the OSU Extension Service to provide lessons that meet your needs.

If you have questions about the survey, contact Jeanne at 503-821-1117. If I'm not available, please leave a message so that I can return your call.
