Description: Building Healthy Families (BHF) is an independent, nonprofit family support organization, offering personalized universal support and education for parents, caregivers and parents-to-be, and youth 0-18 years of age, through the home visiting program, parent education, resource library, Healthy Start, Exploration—an afterschool program, KindHearts Learning Center and the Safe Visits program. At BHF, we focus on child development, age-appropriate behavior, parent-child interaction, positive discipline, and family health and safety. We promote family access to needed resources in the community, and advocate for children and families.
