

\*\*\*\*\* **IMPORTANT CAMBERSHIP INFORMATION** \*\*\*\*\*

Dear Parents of OSU/Lane County 4-H Campers:

Supporters of the 4-H Camp program donate money to the Lane County Leader's Association. This money is then offered as camperships. At this time we cannot guarantee the amount of the camperships or how many we will be able to provide.

The OSU/Lane County Extension Service 4-H Campership program selection will be based on:

1. First time campers
2. Financial need of the camper's family.
3. Completed camp registration.
4. Completed campership application.
5. Families with more than one camper must send in a separate registration form and campership application for each camper.
6. Full deposit of \$100.00 must be paid by Monday, July 7, 2008.

Priority will be given to qualifying campers who have returned a completed campership application and camp registration form with a deposit before Monday, July 7<sup>th</sup>, 2008. After July 7<sup>th</sup>, if campership money is still available it will be given to campers who meet the above requirements on a first come, first served basis. Some larger camperships may be available for a few campers with unusual financial need.

Parents who need additional time to meet their camper's fees, should contact the 4-H office, rather than apply for a campership.

If you have any questions or concerns please contact me at 682-4243 or 800-872-8980 of outside the Eugene/Springfield area.

**Return your application to:**  
4-H Campership Applications
