ADULT VOLUNTEER EXPECTATIONS

The Oregon State University Extension Service strives to provide quality leadership for youth participating in 4-H programs. The opportunity to work with youth is a privileged position of trust that should be held only by those who are willing to demonstrate behaviors that fulfill this trust. The following behavior expectations are provided for volunteers working in the OSU Extension Service 4-H Youth Development Program.

1. Treat others in a courteous, respectful manner demonstrating behaviors appropriate to a positive role model for youth.
2. Abide by policies and guidelines of the Oregon State University Extension Service state and county 4-H programs.
3. Obey all laws of the locality, state, and nation, including those related to use of illegal substances, or use of firearms.
4. Make all reasonable effort to assure that 4-H youth programs are accessible without regard to race, color, religion, sex, sexual orientation, national origin, age, marital status, disability, and disabled veteran or Vietnam-era veteran status.
5. Recognize that verbal, sexual, physical abuse, and/or neglect of youth is unacceptable either within or outside the 4-H Youth Development Program. Report suspected abuse.
6. Treat animals humanely and teach 4-H youth to provide appropriate animal care.
7. Operate machinery, vehicles and other equipment in a safe and responsible manner, and only with a valid operator's license and the legally required insurance coverage.
8. Handle fund raising and finances in an ethical manner.
9. Do not consume alcohol while responsible for youth in 4-H activities nor allow 4-H youth participants under your supervision to consume alcohol or illegal substances.
