

Time line for March 11TH Class Project update and student office orientation.

Three groups of ten students each will visit the extension office for orientation. Each group will have twenty minutes round trip for travel time and thirty minutes for office orientation. Students in class will be working on garden projects. Veterans will be available to answer questions or to advise.

Each team from 1100/12:00 will brief the coordinators and advisers on project updates.

Students assigned beds 1&4 - Leave class 09:00 / Arrive extension office 09:10 - Leave extension office 09:40 / Arrive class 09:50
