What will I do there?

After you awake from your heated bunkhouse each morning, you’ll enjoy a delicious breakfast in the dining hall. Then, you’ll experience classes which give you a chance to try out all sorts of cool things like games, crafts, nature studies and, of course, many of them will have to do with the wild, wild west. Yee-haw!

After lunch you’ll spend time doing afternoon rotations. These include swimming, archery, swings (from a huge tree!), canoeing, crafts and more.

Next comes dinner and then right to games for the whole camp. You’ll end your evening with a campfire under the stars just like cowboys & cowgirls.

All New!
7th & 8th Graders

We know that 7th & 8th graders come to camp looking for friends and fun. We have the perfect place to do just that...our all new 7th & 8th grade program!

You’ll participate in regular camp activities such as swimming, canoeing, archery, and campfire. During your class and free choice time you’ll get to participate in special activities designed just for you.

Be ready to hang out, make friends, learn leadership skills, and try new things!

Other cool things!

CAMP T-SHIRTS

Just for coming to camp, you’ll get a camp t-shirt. Be sure to indicate your size on the registration form.

HORSEBACK RIDING

If you are a beginning rider, you have an opportunity to spend a day down at horse camp. You can tack up a horse and try your skills at riding. While you’re down at horse camp you’ll miss out on a day of regular activities, but those of you who have dreamed of riding won’t mind a bit. This activity has an additional fee of $60.00.

What is 4-H Camp?

Wild West Camp is put on by Benton, Lincoln, Linn & Tillamook County 4-H programs. It is held at the beautiful 4-H Center in the foothills of West Salem.

We will be exploring the world of cowboys, cowgirls and the wild, wild, west this year. Saddle up...we hope to see you there!

Who will be there?

Any one who has completed 4th-8th grade may come to Wild West Camp. This includes both 4-Hers and non-4-Hers.

There’s one catch: you must like making friends, trying new things, and having fun!

You’ll be assigned to a cabin group while you are at camp. You’ll have a high school age counselor who has been trained in keeping you safe and making sure you have fun. In your cabin group there will be 4-6 other campers for you to get to know and experience camp with. That means a chance for fast friends and lots of laughs!

Around camp you’ll also see adult staff who are in charge of the counselors and make sure there are fun activities to do at all times. We have a nurse on site to make sure all of camp is safe and healthy.
