## Earning your Master Gardener™ Badge

After completing all classes, each Master Gardener Apprentice spends a minimum of **60 hours** learning by experience in the community.

**NOTE:** Classes will be held **Tuesdays & Thursdays, from January 12<sup>th</sup> through February 4<sup>th</sup>.** We meet again for full-day workshops on **February 16th, and March 9th.** Graduation will be held in the afternoon of **March 9<sup>th</sup>.**

- **30 hours** in the OSU Extension Office answering community garden-related questions. Traditionally, office hours are 9:00 a.m.-12 noon on Monday, Wednesday and Thursday. **[SEE ENCLOSED MG REQUIREMENT SHEET FOR DETAILS]**
- **30 hours** outside the OSU Extension Office participating in projects (some topics are listed on the back page) in and around the community. Times are determined by you and/or the project on which you serve. You may also work on an individual project approved by the Extension Agent. **[SEE ATTACHED MG REQUIREMENT SHEET FOR DETAILS]**

⇒ These hours are a valuable component of the Master Gardener Program™ and are a necessary time commitment. The community depends upon the “volunteers” in the office to answer questions and learn more about their gardens. You, the volunteer, continue to learn outside the classroom, gaining experience and training. When you decide to apply for the program, please take these additional hours into consideration. You will not have Master Gardener status until these hours are completed.
