SPECIAL HOME ECONOMICS

1. The interview method of judging will be used in all classes of home economics exhibits. Exhibitor, parent or leader will meet personally with the judge and discuss the merits of the exhibit together. Exhibits are to be brought in at the time of the interview.

2. A club member may enter one or two exhibits per class. If more than one division of the project is carried, the exhibit must be from the upper division.

3. All exhibits must be completed to be eligible for judging. A complete exhibit includes all items listed for the class.

4. The merit method of judging will be used except in special classes where indicated otherwise.

5. Exhibits and contests will be placed in blue, red and white award groups according to quality. A champion ribbon may be awarded in classes where there are two or more blue-ribbon exhibits competing.

BEGINNING HOME ECONOMICS
(COUNTY ONLY)

This project covers four areas: Clothing, Foods, Home Decorating, and Child Development. The purpose of the club display is to show what the club has done in the total project. Each member is to exhibit one or two item(s) made in this project. The club will prepare an educational exhibit of all individual members items. Each item will be judged individually by the merit system. The club exhibit will be judged on how well it tells the project story.

951000 4-H member exhibits item(s) as part of the project. Clubs are to prepare a display of the individual items showing the total project.

CLOTHING, KNITTING & CROCHETING

Each article must be labeled according to the following directions, otherwise they will not be accepted for exhibit:
Name _________________
County _________________
Phase _________________
This should be typed or printed on a piece of white cotton material in indelible pencil or ink and sewn on each garment or article. Dress or skirts should have the label on the back hem.

CLOTHING & SEWING

Member may enter three construction classes and any of the creativity and service classes for the project level in which they are enrolled. All exhibits must be in the same level. Members and clubs are also encouraged to enter Educational Displays under the Home Economics class divisions.

All items entered in exhibit classes should be clean and in good repair. Judging criteria are outlined in 4-H Sewing/Clothing Construction Score Sheet found at: http://oregon.4h.oregonstate.edu/fair-exhibit-and-contest-materials. Judging standards are listed in Measuring Up: Quality Standards for Sewn Items/Projects (PNW-197). Skills appropriate for each project level are listed in Sewing Skills Checklist, CO677. Each entry will be evaluated on ALL features, not just the skills listed in the respective enrollment levels.
A 4-H Sewing/Clothing Exhibit Card (available from Extension office) or at
http://oregon.4h.oregonstate.edu/fair-exhibit-and-contest-materials or a standard exhibit tag must be
securely attached to each entry. The card requests information about the exhibit(s) which is needed by
the judge in evaluation of the entry.

Hangers and/or garment bags are removed from exhibits prior to judging and might not be returned.

In addition to the 4-H Sewing/Clothing Exhibit Card, each garment or article in the construction classes
must be labeled with the member’s name, county, and project level. This label should be typed or printed
in indelible pencil or ink on a piece of white fabric and sewn or fused onto the bottom inside of each
piece.

The Sewing HANDS FOR LARGER SERVICE Classes are unique among 4-H State Fair exhibit classes. Items
entered in these classes will not be returned to the 4-H member or to their county. At the end of the State
Fair, the items exhibited in these classes will be given to Public Service partners who serve clients from
across Oregon.

To qualify for special wool awards listed at the end of the Clothing/Sewing Section (State Fair 4-H Book,)
attach a manufacturer's "all wool" label or a merchant’s statement indicating the fabric is "100% wool" or
a minimum of 60% wool and no more than 40% other fiber.

Knitting

Knitting has three divisions of exhibit classes based on the techniques used: Knitting with needles; knitting with looms, boards, and machines; and Felted Knitting.

Members may enter up to a total of four classes based on the phase or level in which they are enrolled. The classes may be any combination of divisions but within each division the classes must be in a single phase or level. To qualify for judging, a 4-H Knitting Exhibit Explanation card (360-01) must be securely attached to the exhibit. The card requests information about the exhibited item and skills learned in construction. Members must mark skills on the level in which they are enrolled. If they show skills beyond their level, they will not receive extra consideration. Forms are available at county Extension offices or on the State 4-H website at: http://oregon.4h.oregonstate.edu/fair-exhibit-and-contest-materials.

Judging criteria for non-felted items are outlined on the 4-H Knitting Check Sheet (360-02). Judging criteria for knitting which has been felted are outlined in the 4-H Felting Score Sheet (261-03). Both are available from the county Extension office or at website above.
