After completing all classes, each Master Gardener Apprentice spends a minimum of **60 hours** learning by experience in the community.

NOTE: Classes will be held all day **Tuesdays & Thursdays, from January 11th through February 3rd.** We meet again for full-day workshops on **February 8th & 15th, and again on March 1st & 8th.** Graduation will be held in the afternoon of **March 8th.**

- **36 hours** in the OSU Extension Office answering community garden-related questions. Traditionally, office hours are 9:00 a.m.-12 noon on Monday, Wednesday and Thursday. **[SEE ENCLOSED MG REQUIREMENT SHEET FOR DETAILS]**
- **30 hours** outside the OSU Extension Office participating in projects (some topics are listed on the back page) in and around the community. Times are determined by you and/or the project on which you serve. You may also work on an individual project approved by the Extension Agent. **[SEE ATTACHED MG REQUIREMENT SHEET FOR DETAILS]**

⇒ These hours are a valuable component of the Master Gardener Program™ and are a necessary time commitment.
