Horse exhibitors will follow the 4-H Horse Contest Guide, 4-H 1301, and rules established by Linn County 4-H Horse County Guidelines (green book). The same horse is to be used for equitation, showmanship, trail horse, hunt seat over fences, hunter hack, and dressage. Contestants must ride, show or exhibit horses they have owned and personally trained for 90 days prior to the county and state fair. April 13 is the deadline for Linn County and a written lease must be on file with the Extension Office.

1. Linn County intermediate and Senior exhibitors with a combined showmanship and equitation score of 170 points that meet the county requirements may exhibit at state fair. This score is based on a possible 200 points, 100 for showmanship and 100 for equitation. A score of 80 is the minimum acceptable score in either class. Also, one intermediate and senior harness, one intermediate and senior yearly ground trainer, and one intermediate and senior 2 yr. old ground trailer that meet the county requirements may exhibit at state fair.
2. State Fair contestants must meet the following requirements:
1) Complete the horse knowledge test. 2) Complete the interview process. 3) Turn in up-to-date current year records completed. 4) Have a minimum of 25 clinic points.
3. Special Day Horses - Wet Mares, Ground Trainer, First Year Under Saddle and Harness Driving to be shown on Sunday, Special Day only. These horses must be removed from the fairgrounds after their last class.
4. Riders must always wear back number, boots and a qualified helmet when riding. Exhibitors must wear their back number and boots when handling their horse.
5. An additional project horse may be brought in for Groom Squad. Stall space will not be available for these horses and they must be removed from Fairgrounds following the events.
6. For dressage, the test will be determined by State Fair requirements. You must ride at least a 58% score in Training Level Test 2-4 or any First Level test at County Fair in order to qualify for state if you have already met the prior requirements. If you scored 62% or higher at state last year, you must move up a test level unless you are using a different horse.
7. High point ties broken by test scores.
8. If a 4-Her qualifies for State Fair in equitation and receives a blue ribbon in trail, hunt seat, equitation over fences, dressage, or driving, they may ride these events at State Fair.
9. The 2008 Oregon 4-H Western Gaming Finals are scheduled to be held as part of the State Fair 4-H Horse Show this year in Salem on Tuesday, August 19.
10. Novice riders will not be allowed to show in gaming, first year under saddle, hunter hack, and hunt seat equitation over fences. If a novice feels he/she is experienced enough to participate in these classes, they will then be need to be asked to show in their own age group (Junior, Intermediate, Senior).
11. All Oregon 4-H members participating in any equestrian activity, will wear a properly fitted equestrian helmet which meets the standards imposed by the American Society of Testing Materials and includes certification and labeling required by the Safety Equipment Institute (SEI). Such headgear will be secured with the harness engaged and be properly fastened when mounted on equine or in a vehicle (cart, wagon, buggy, etc.) being pulled by an equine. Helmets will not be provided by the 4-H Horse Leaders.
