Top right photo: Betty Anderson, Bonnie White, & Bev Hall.

Payback hours for MG trainees:

2010 Linn County MG trainees are required to put in 5 hours at the demonstration garden as part of their 20 payback hours outside the 46 hours at the MG help desk.

“TGIF”

Each Friday the Linn County Demo Garden will have a “get together”. This event is called “TGIF—To Garden is Fun.” The purpose of this event is to give Master Gardeners™ (general public welcome!) an opportunity to network ideas, pull a few weeds, dig in the soil, see the progress in the garden, but most importantly--to have fun! If no one feels like “getting dirty,” then we’ll do what we do best—talk about gardening. There will always be opportunities to learn a new gardening skill.

For more information, please contact Vickie Dones at (541) 926-3847 or mevidones@comcast.net

TGIF “Friday” Schedule:
Contact the above person for information.

Where the “heck” is the demo garden?

Page 2 for map.

The demonstration garden and related activities are open to the general public.
