

EXPRESSIVE ARTS

1. See individual division for exhibit volume (Art, Cast Ceramics, Leathercraft, Fiber Art, and Photography). There is a limit on how many items can go on to state. It is possible that a person might have several items eligible for state, but they will not all be able to go. Exhibitor must tell the office at 541-967-3871 which items of those eligible will be sent to state, during the week following county fair. There will be alternates selected by the judge for state fair eligibility to fill in any possible under-represented project areas.
2. If an item is meant to hang, hangers sufficient to support the weight of the exhibit must be securely attached to each item. Display of artwork in frames is strongly discouraged for management purposes. Use of matting, mounting or over wrap with plastic is acceptable for protection of artwork. Plastic hangers for lighter weight items are available from the county office or at fair.
3. In addition to the exhibit tag, each piece of an exhibit must be labeled with the member's name, county and exhibit class number. Flat work must be labeled on the back, upper right corner, while dimensional work should be labeled in an inconspicuous place, if possible. In either case, the label must be securely attached to the art work.
4. All Expressive Arts exhibitors **must schedule an interview** with the judge or have the project Superintendent's consent for absentee judging. **To schedule an interview, contact the Extension office at 541-967-3871 on Monday, June 29th or Tuesday, June 20th from 10 am to 2:30 pm.** If you cannot schedule an interview during these times call the superintendent or the Extension office prior to July 5 for assistance. If you do not have a scheduled interview, you can come on static interview judging day and the superintendents will try to fit you into the schedule. Be prepared to wait. Members not appearing for the interview will not be eligible for State competition, except those excused by the Expressive Arts Superintendent. In those cases, a written interview must accompany the exhibit entered for the absentee judging. The written interview must include the reason for inability to attend the interview as well as the skills learned and used preparing the exhibit.
