

Malheur County **Commitment to Excellence**

I believe that participation in the Malheur County 4-H program should demonstrate my own knowledge, ability, and skill as an exhibitor.

I will do my own work to my full capability with guidance from my parents, leaders, or other individuals.

I will be respectful and courteous to all judges, show officials, other exhibitors, and staff.

I believe in the production of a wholesome, quality project that will stand as an example for all those around. I am representing that I have good moral character and will be a good example for those around me.

I want my 4-H project to be an example of how to accept what life has to offer, good or bad, and how one should live with the outcome.
