Please list the number of exhibitors, number of tack areas (be very conservative), number of animals Expected, and number of pens/stalls that are needed. The Superintendents and State Fair Maintenance staff use this information for the set up of each area. The tack requests will be assigned as equitable as possible. *PLEASE, DO NOT ASK FOR PENS/STALLS, FOR CLUB SEATING AREA(S). If the information you submit is inaccurate, the superintendent will make assignments on a space available basis.*

Funds are being assessed this year by animal. The funds we collect with this form pay for the delivery, cost and removal of all sawdust bedding (which has increased in cost this year). Funds also pay for all judges mileage and meals. Thanks for your understanding and support of our 4-H program.
