

Hosted by 4-H & Polk Christian Home Educators

Homeschool Outdoor School

September 21-23, 2009
Oregon 4-H Conference Center @ West Salem

The 4-H Homeschool Outdoor School is a program sponsored by 4-H and Polk Christian Home Educators and is open to all youth in grades 5-8. You do not need to be a member in 4-H to attend. (We will be having homeschooled high school age youth to serve as counselors. If you are interested in counseling, contact us.)

The program is designed to give youth hands-on outdoor learning experiences with natural science, pond study, forestry, leather craft, outdoor cooking, wind energy, archery, digital photography, animal habitat, survival skills and more.

Our Special Guest Speaker will be **Phillip O'Donnell**, speaking about Dinosaurs. Website: <http://www.livingdinosaurs.com/> email: phillip@livingdinosaurs.com He is a student and will be sharing with us from a Creation point of view. Campers are encouraged to share their musical talents during campfire activities. Free time activities include canoes, swings, crafts, archery, soccer and more.

Camp participants will stay in Cottages that have four bedrooms, each containing two sets of bunk beds with mattresses. The cottages have a common area and bathrooms with private showers. Cabins may also be used. This beautifully wooded location is just 6 miles from downtown Salem.
