

# Junior Master Gardener Day Camp

**June 16-18, 2009**  
**Delbert Hunter Arboretum**  
**Dallas, Oregon**

The Junior Master Gardener Day Camp is a program sponsored by OSU Extension 4-H and Polk County Master Gardeners and is open to all youth in grades K-5. (We are seeking middle and high school age youth to serve as counselors).

We will be checking in/out at the Delbert Hunter Arboretum Center on the SW end of the Dallas City Park. Tuesday – Thursday, 9:30-3:30.

<http://www.delberthunterarboretum.org/index.htm>

We will meet at the Polk County Fairgrounds for one of the days also.

We will be going on a field trip one day and visiting the Dallas Retirement Center for a community service project.

The program is designed to give youth hands-on outdoor learning experiences with natural science, forestry, gardening, entomology, soils, ecology, digital photography, crafts, and more.

Please bring your own sack lunch for each day. We will have snacks of cookies and fruit/vegetables provided each day. Wear comfortable shoes and dress in layers as we have unpredictable weather.

Cost for the three day camp is \$30 per youth if registered by June 12th.
