September 20-22, 2010
Oregon 4-H Center

The 4-H Homeschool Outdoor School is a program sponsored by Polk County 4-H and Polk Christian Home Educators and is open to all youth in grades 5-8. (We will be having homeschooled high school age youth to serve as counselors. If you are interested in counseling, contact us.)

The program is designed to give youth hands-on outdoor learning experiences with natural science, pond study, forestry, outdoor cooking, leather craft, wind energy, archery, animal habitat, survival skills and more. We will have featured presentations and campfire activities. Free time activities include canoes, swings, crafts, archery, soccer and more.

Camp participants will stay in Cottages that have four bedrooms, each containing two sets of bunk beds with mattresses. The cottages have a common area and bathrooms with private showers. Cabins may also be used. This beautifully wooded location is just 6 miles from downtown Salem. [http://www.oregon4hcenter.org/](http://www.oregon4hcenter.org/)
