Sherman County Individual Project Application

A 4-H Project can be taken individually with the approval of the Leader’s Association. Please return as soon as possible. Applications must be received by March 1, 2010. 4-H’ers who apply for individual projects are required to report once per 4-H year to the Leader’s Association to discuss the project and its progress. If they don’t report, they will not be allowed to exhibit the project at the county fair. It is encouraged for anyone applying for an individual project be involved in another 4-H club as well.
