6. All animals must be free from disease and can be required to leave grounds upon diagnosis of disease.

8. All cattle must be double tied (one rope from halter and one from neck) in their stalls. Unruly animals **WILL be excused from fair.**

10. All breeding ewes, rams and lambs (wethers included) must have an official USDA identification if they are to be shown or sold.
11. All protests must be in writing and accompanied by deposit of \$25. The protest must plainly state cause of complaint and be given to a Fair Board member within 24 hours after cause of the protest. If ruled unjustified, deposit is forfeited.

Animal Welfare Policy

The Wallowa County Fair management supports the humane treatment of all animals. We are committed to:

- Upholding the welfare of animals as a primary consideration in all activities.
- Requiring that animals be treated with kindness, respect and compassion.
- Ensuring that owners, trainers and exhibitors use responsible care in handling, transporting and exhibiting their animals.
- Providing for the continuous well-being of animals through proper feeding, disease prevention, sanitation and attention to their safety.
- Supporting scientific research to improve the health, safety and well-being of livestock.
- Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor.
- Animals considered unsightly for any reason will also be subject to removal from the show and the grounds. "Unsightly" in this case is defined as an appearance of unhealthiness or an appearance of poor care or husbandry; this might include animals obviously and/or significantly under-weight, animals in poor condition due to age or other circumstances, or animals not handling the stress of the show conditions for reasons beyond our control. It is important animals not only be healthy, but that they also appear healthy. Animals at the fair are on display; they represent not just the member, their county or even our state, but the agriculture and animal science industry as well as youth raising animals, nationwide. Even owners who take the utmost care of their animals can have unfortunate circumstances which lead to an animal not at its best. The Wallowa County Fair will not subject our youth to the scrutiny an "unsightly" animal may bring. Therefore, a staff member, committee for animal health, or veterinarian may encourage or suggest an animal be removed for this reason.

Animal Health Product Usage

The Wallowa County Fair management is also committed to production of a safe food product. Market animals will be disqualified if they show any evidence of the use of unapproved drugs or hormones. The show reserves the right to use appropriate tests to detect these substances.

WALLOWA COUNTY FAIR MARKET SALE GUIDELINES

1. Members may sell one animal through the sale.
2. An auction of market animals meeting the appropriate 4-H/FFA guidelines will be held at approximately 3:00 PM on Saturday, the last day of fair.
3. Market animals by category must weigh with 2% shrink: **Steers 1100 lbs. minimum, Swine 230-330lbs, Sheep 110-160 lbs., Goats 60-130 lbs, Rabbits 4½—6 lbs., Chickens 4—6 lbs.**
4. Market swine should weigh between 40 and 140lbs at pre-weigh in.
5. All market lambs must be shorn 60 days or less before fair or at scheduled "Shearing Day".
6. **Feed & Growth Records** required for market animals.
7. Transportation certificates, COOL Affidavits, and bills of sale from the original owners of the registered brands must be supplied at weigh-in.
8. The Wallowa County Fairboard receives a commission of 6% of all animals sold.
9. Exhibitors must show in showmanship in the species in which they are exhibiting a market animal.
10. Members show their own animal through sale ring. The only acceptable exceptions will be: Emergencies (case by case); mandatory activities that require member attendance at youth activities and/or immediate family events; if participation is not required then the member will NOT be excused. If a member needs excused from selling their animal, request must be submitted in writing to the Extension Office by July 5 with signatures from member, parent, and leader or FFA advisor. These will be reviewed by species superintendents (beef, sheep, swine, and small animal) and the overall superintendent.
11. The sale order is sheep, goats, beef, small animals, and swine. On even years a 4-H animal sells first. On odd years an FFA animal sells first.
12. Market Animals receiving white ribbon in conformation will not be allowed to sell except under the following conditions: A **local floor** must be found so that these animals **will not** be shipped to slaughter with the rest of the market animals. They are to receive a price no higher than the lowest priced red or blue ribbon animal in the sale. They must sell at end of species following all blue and red ribbon animals.
13. Swine must grade US No. 3 or better to sell. Beef carcass grading will be done at slaughter plant.
14. Market animals previously sold through a finished market animal sale are not eligible for exhibition.
15. If an animal is condemned in the slaughter process it is the owner's responsibility to absorb the loss.
16. No purchasing of animals off the turn.
17. Any market swine who are fed Ractopamine (Paylene) will NOT be eligible to sell in the Auction. Exhibitors will be required to sign a feed restriction affidavit. If an exhibitor violates this rule and the packer rejects the carcass, the exhibitor will forfeit their check.
18. No Painted Animals or signs are allowed in the auction ring.

4-H LIVESTOCK DIVISION

4-H LIVESTOCK GENERAL RULES

1. **All market animals will be weighed in according to the species schedule.**
2. **Animals will be weighed once.** A 4-H/FFA member may bring two tagged animals to the fair and the first one to make weight is the one they will sell. The other animal must leave the fairgrounds unless it can be shown in a breeding class.
3. No wet lambs will be weighed.
4. **All animals must have a positive rate of gain.**
5. Exhibitors must have owned or leased, and had personal possession of and cared for all livestock by the following dates to be eligible to exhibit at the county fair: March 1 for Beef; May 1 for Swine & Horse; June 1 for Sheep & Goats.
6. Market animals must be **weighed and tagged on designated dates** or the animal **will not sell**.
7. All animals are in "**Rate of Gain Contest**".
8. Animals shipped for slaughter (where carcass data is made available) will be in "**Carcass Contest**".
9. A 4-H/FFA member may tag two market animals but **can show and sell only one animal at the auction**.
10. Each member must declare their primary market animal at time of weigh-in. Extra market animals may be weighed in under family names. FFA Chapters may weigh in extra market animals under Chapter names.
11. If a member has one market animal tagged and that animal dies, then the 4-H leader/FFA advisor can petition the 4-H/FFA Livestock Committee and ask that the member purchase another animal that has been tagged. (This will be considered a hardship case.) Hardship animals will not be eligible for the rate of gain contest. Members are eligible for all awards determined by the judge.
12. A 4-H and/or FFA member may not exhibit more than two animals in any class, and only one entry in foundation (herd) class and market classes.
13. All animals must be exhibited by their owners except by special permission of livestock chairman and species superintendent. Animals must be registered in name of exhibitor or must have contractual agreement for project year. (Registration in a partnership or family name is acceptable providing animal designation at beginning of the project).
14. 4-H/FFA members must do all fitting and showing at the fairground. **Junior** members may receive assistance from Club Leader(s) and Junior Leaders.
15. The 4-H/FFA Memorandum of Understanding will be enforced in Wallowa County.
16. The livestock chairman, beef, sheep, swine, small animal superintendents shall be the review committee on rule interpretations and exceptions following species superintendent decisions.
17. Juniors are able to use halters in sheep conformation. Intermediates, Seniors and FFA members may use halters **only** in multiple animal classes such as Dam & Produce, Flock, etc.
18. **No Feeder or Market Animals will be shown in breeding classes except Special Classes and flock.**
19. All Market animals will compete for Champion and Reserve Champion in their respective groups, and then all Champions and Reserve Champions from each group compete for Grand Champion and Reserve Grand Champion.
20. Purebred females with crossbred offspring shown in special classes are shown in the class designated by the breed of dam.
21. Livestock shown in special classes must have been shown in a regular class.
22. Production Records for all breeding stock production classes should be taken to the ring at their exhibiting time.
23. Registration papers should be brought to the ring at exhibiting time in order to be considered for breed awards.
24. Champion and Reserve Champions of each Breed for breeding projects will be chosen from the following: Dairy, Dairy Goat, Pygmy Goat from Classes 1—9; Beef Classes 1—8; Sheep and Swine Classes 1—4.
25. Meat goats may be shown with horns. ANY sign of behavior or safety issues could result in required, capping or even disqualification at judge, superintendent, or 4-H staff in charge, discretion.
26. Generally, animals should be polled or dehorned; it's an appropriate measure for herd health, as well as transport needs, in most cases. However, at Fair, the requirement is that animals be SAFE and manageable with a lead; exception, ALL dairy goats must be dehorned.
Horned animals make sense if dehorning is detrimental to their herd for show or breed standard purposes. – if animals show any sign of being unsafe because of their horns, exhibitors may be asked to cap or tip horns or remove the animal from exhibition. All horned cattle must be able to be safely and humanely tied, and exhibit showmanship on a halter, like all other beef/dairy cattle (this means horned Herefords would be allowed, but Texas Longhorns are not.) If horns are not part of the breed standard, members should strongly consider dehorning at an early age. **Review your breed standards for clarification.**
27. Any 4-H or FFA lamb must have enough tail to be lifted with a pencil.
28. A *Junior Champion* will be chosen from the following classes: Dairy, Classes 1—5; Dairy Goat, 1—4; Pygmy Goat, 1—4; Beef, 2—4. A *Senior Champion* will be chosen from the following classes: Dairy, 6—8; Dairy Goat, 5—9;

Pygmy Goat, 5—9; Beef, 5—8.

29. A champion and reserve champion will be selected only when the judge deems there are entries of champion quality. Grand champion and reserve grand champion female of each species shall be selected from the champion and reserve champion female of each breed.
30. Cable halters are not allowed in the beef show.
31. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor.

4-H SHOWMANSHIP

Showmanship contests are held in dairy, dairy goat, meat goat, beef, sheep, swine at Junior, Intermediate and Senior levels. Champion and Reserve Champion will be given in each division and may return to participate in All-Around Grand Champion and Reserve Grand Champion classes.

1. Exhibitors must show in showmanship in the species in which they are exhibiting a market animal. Showmanship in at least one species in each division is required unless excused by Department Superintendent and 4-H Agent. (Livestock & Small Animal are different divisions).
2. Members may enter showmanship in more than one species.
3. Member must show in showmanship to sell a market animal.
4. Your appearance in the show ring makes an impression on the judge. *This means your clothes should be clean and neat. When showing, a clean button-up collared shirt and pants are acceptable. Long sleeves are recommended. . No tank tops, cut off t-shirts or shorts.* Protective footwear required.
5. Members can show the same animal in showmanship more than one year. If two members share a project, they both can show the same animal in showmanship (as long as they can show in separate classes.)
6. A 4-H member may use another 4-H member's animal in showmanship only if the animal has not been shown in a previous showmanship class. (This is only in the case of hardship).
7. The species allowed in all-around showmanship will be Beef, Sheep and Swine. One additional species (Dairy Cattle, Dairy Goat, Pygmy Goat, Meat Goat) will be added only when there are 8 exhibitors combined in 4-H and/or FFA at the fair. For the next additional species, there will be need to be 10 then 12 exhibitors respectively to allow enough animals for each age division.

4-H ART

Art has three divisions: **Expressive Arts** is based on the entry being entirely original, **Crafts** that includes components that have been designed or created by others, and **Pottery**. In all divisions, the member will be expected to create their work by applying the elements and principles of design.

1. All artwork is to be mounted for display, including jewelry.

- All jewelry exhibits must be mounted in some way to a board or fabric covered board for display and the explanation card must be folded and attached in a small plastic bag (bags will be available on judging day).

•All art **MUST** be mounted on board as thick as mat board. Matting, spray fixatives and/or over wrap with plastic are acceptable for protection of the artwork. •If an item is meant to hang, a hanger that will support the weight of the item must be securely attached. Adhesive plastic hangers are encouraged to protect other artwork. Two adhesive hangers per hanging art piece is suggested.

•Exhibits 3" or smaller MUST be mounted on board, the thickness of mat board. The board should be no larger than 4" x 4".

2. Due to weight, most artwork may not be framed

- EXCEPTION for work done with chalks, charcoals, or pastels that require protection —only lightweight frames with plastic can be used for protection during display—NO wood frames or glass is allowed.

3.Exhibits should not contain parts that expose the public or volunteers to injury (i.e. sharp edges or points).

4.Identification needed!

- 4-H Exhibit tags must be attached to the lower right-hand corner of the exhibit.
- Each piece of an exhibit must be labeled on the back or bottom with the member's name, county, and exhibit class number.
 - Exhibits that have more than one piece MUST be tied together or connected together in some way so that the pieces can be considered as one exhibit.

5. **Must have 4-H Expressive Arts Exhibit Explanation card (231-02) fully completed** for art projects to qualify for judging. These forms take the place of interview judging at State Fair, so be as thoughtful and comprehensive as possible when sharing the required information. The explanation should give the member's name, county and class number, origin of design, intended use of the item, previous experience using this technique and a description of how it was made.

Exhibits for the Celebrate Our World class must also include the Celebrate Our World Explanation Card (998-03) available from the state 4-H website at: <https://extension.oregonstate.edu/4h/state-fair#Celebrate>.

Exhibits are entered and displayed at the risk of the exhibitor; see General 4-H Information –Eligibility.

Public display of exhibits will be at the discretion of 4-H management. Exhibits are entered and displayed at the risk of the exhibitor.

Celebrate our World (The Caribbean) (intermediates and seniors only)

To celebrate the diversity in our world, each year the Oregon 4-H project areas will focus attention on the cultures of a different country or region of the world. This special emphasis allows members to focus on learning about the country/region and the skills and techniques unique to that culture. Take a moment and select a country within this region to focus on and learn more about its people and culture. Then share how the knowledge you've gained has influenced your 4-H experience through a fair entry! Exhibits in the Celebrate Our World class must meet the exhibit requirements listed above. The Celebrate our World Explanation Card (998-03) is to be completely and thoughtfully completed and securely attached to the exhibit.

4-H FOOD PRESERVATION

Members may enter four classes in their age division and up to two different exhibits per class. Intermediate and Senior member may also enter an exhibit in the Celebrate our World class.

Members are encouraged to use recipes from reputable food preservation sources (ex. OSU Extension or other University Extension Services, Ball Blue Book, pectin package inserts, or So Easy to Preserve). Current OSU Food Preservation publications can be found at <https://extension.oregonstate.edu/mfp/publications>.

All recipes must meet current USDA recommendations which can be located here: <http://nchfp.uga.edu/>

All products, including all preserved products in gifts packs, must have a 4-H Food Preservation Explanation Card (512-07) with complete information and instructions/recipe. Entries in the Celebrate our World classes must also include the Celebrate our World Explanation Card (998-03). Explanation Cards are available at the county Extension office or on the State 4-H website.

In addition, all containers must have label or tape with member **name, county, class number**. Label should be placed on the bottom of the container or location not to interfere with allowing the judge to see contents. Incomplete labeling may result in disqualification.

Include jar rings on all canned products in order to transport safely. Be sure all jars are properly sealed. Unsealed jars will be disqualified. For judging reasons, use clear jars only. Jars may be opened during the judging process. For this reason we strongly urge you to use smaller jars for your fair exhibits. Suggested are 4 oz. jars for jams and jellies, half pints & pint jars for other products. Larger jars will be accepted, but food may be wasted as any opened jars may be emptied before returning after Fair. For judging reasons, use clear jars only. Tip: Bring two exhibits to the county fair, one for county fair judging and one to come to state fair (if chosen).

Dried foods should be exhibited in jars or sturdy plastic bags, with labels securely attached.

Make sure to follow the approved processing times listed for your product.

Judging criteria are outlined on the 4-H Canned Fruit and Vegetable Check Sheet (512-04), 4-H Canned Meat and Fish Check Sheet (512-05), 4-H Dried Foods Check Sheet, 4-H Jam Check Sheet (512-01), 4-H Jelly Check Sheet (512-02) and 4-H Pickles and Relishes Check Sheet (512-03), 4-H Flavored Vinegar Evaluation Sheet (512-08), 4-H Canned Broth Evaluation Sheet (512-09), and a 4-H Gift Pack Check Sheet (512-08) available at the county Extension office or on the State 4-H website:
