Summer Conference registration time coming

Registration for Summer Conference at Oregon State University begins Friday, May 1. This older youth event will be held June 24-27.

4-H members, grades 7-12, travel to Corvallis, explore campus life, make new friends, and attend workshops on a wide variety of subjects.

Normal registration cost is $200 (not counting the bus fee); however, currently enrolled 4-H members of Jackson County will get sizeable scholarship help from donors and the 4-H Leaders Association.

Participants MUST register first at the Extension Office (use county form, pg. 2), by 5 pm, Friday, May 22 in order to get $100 off the registration fee. Once you get your County Registration form to the Extension Office, along with your check made payable to Jackson County 4-H Leaders Association, we will give you your password so that you may register online.

More information is available at: http://oregon.4h.oregonstate.edu/4h-summer-conference. Also see full story in the last Fourthoughts, page 6.

Detailed registration instructions will be posted on the state website under Youth Registration Instructions.

Contact Diane.Miller@oregonstate.edu if you have any questions.

Local scholarship applications due Friday

Local scholarships are available for graduating 4-H seniors. The Leaders Association and Dennis Nevin scholarships are for any project, while the Mike Dode scholarship is for those seniors who carried the 4-H beef project at least one year. These scholarships are applicable to any college, university or higher education institution.

Scholarship booklets containing detailed information & applications are found at: http://extension.oregonstate.edu/sorec/sites/default/files/2015_schol_book.pdf and in the Extension Office.
