CODE OF ETHICS & C.O.O.L. STATEMENT FOR MARKET ANIMALS**

Exhibitor Name: _____

Species of animal(s): _____ Identification(Ear tag, etc.) _____

I am proud to present a market animal that has been raised with proper care and nutrition and always treated humanely. My animal has been fed good quality hay and grain as recommended by my leader/advisor. I have followed the rules of good husbandry to make sure my animal has had all the proper injections and medications required for optimum health.

When I present my animal at Fair, I may be asked to list all drugs and medications my animal has received and show I have followed proper withdrawal time. At no time have I used illegal substances on my animal. I understand use of illegal substances will cause me to immediately forfeit any and all monies and awards, and be banned from ever showing any animal at the Jackson County Fairs (including Spring Fair) again. I also realize this could result in criminal charges, including arrest.

I understand the purpose of this project is to develop good husbandry skills and to provide the buyer of my animal with the best possible quality meat for their consumption. And I want them to know it was done properly.
