

4-H PROJECTS

The following are potential projects in which members may enroll:

Note: Clubs are limited by the number of members a volunteer leader can accommodate. Projects are limited by the availability of a dedicated, trained, and in some instances, a certified leader. Call 541-776-7371 for current availability.

The best way to guarantee that your child will have the experience you want is to lead a club. We provide general and project leader orientation and will work to guide new leader through the 4-H leader role.

* Indicates projects in which members are currently enrolled.

** Indicates local clubs which focus on a specific project area.

Piggyback Projects: When a member joins a club, they may enroll in additional projects (not necessarily carried by the club) and work independently with a parent, neighbor, etc.
