Woodland Stewardship-How to Get the Most Out of Your Forested Property

“Woodland Stewardship-How to Get the Most Out of Your Forested Property” is a six class series that provides an overview of concepts and practices of forest stewardship for woodland properties, from 5 to 50 (or more) acres. It is designed for owners who are just getting started with woodland management as well as more experienced owners who are looking for new ideas and approaches.

GRANTS PASS-based classes: Friday mornings, 8:30-11:30 am, March 15, 22, April 5, 12, 19, May 3.

CENTRAL POINT-based classes: Friday afternoons, 1:30-4:30 pm, March 15, 22, April 5, 12, 19, May 3.

Cost is $10 per class or $50 for all. Pre-registration required. For more information or a brochure contact the Extension office at (541) 476-6613 or visit http://extension.oregonstate.edu/sorec/Forestry

Tree School Rogue is April 27, 2013

Tree School Rogue is back and will be held Saturday, April 27, 2013 on the campus of Rogue Community College in Grants Pass, Oregon. This one day mini-college features 27 classes on a variety of tree and forest-related topics of interest to woodland and small acreage rural landowners, forestry contractors, natural resource professionals, and anyone else interested in protecting, managing or simply enjoying our local trees and forests. Most classes are 90 minutes long and you can participate in up to four during the day.

Registration must be done in advance by Wednesday, April 17 (sorry, no walk-ins allowed). The registration fee is just $40 per person, or $49 with lunch. Bring the family so you can take advantage of as many class offerings as possible. Classroom space is limited, so don’t delay in registering.

Additional copies of this brochure can be requested from our office or downloaded from our website at http://extension.oregonstate.edu/sorec/forestry. For any questions contact Max Bennett at 541-776-7371.
