## All About Smoke Panel Discussion

**May 17, 2018**  
**7-9pm, Thursday**

**Location: OSU Extension**  
**Auditorium, 569 Hanley Rd,**  
**Central Point**

**Pre-register: 541-776-7371**

**Cost: \$10/person, \$15/couple,**  
**JJWSA Members free**

**Fire season is almost upon us, and with it comes troublesome smoke.** A panel of local experts will discuss the impacts of smoke and what we can do to mitigate those impacts. They will also suggest what can be done to decrease the generation of smoke on our properties and in our forests.

### **Some of the topics to be discussed:**

- Wildfire versus prescribed fire – smoke production & impacts
- Can we reduce wildfire smoke? How?
- Fire suppression
- Smoke forecasting, minimizing impacts
- Regulatory impacts
- Managing wildfire for resource benefits

**Speakers:** **Rich Fairbanks** has held various positions in the fire organization, including Interagency Hotshot Crew Foreman, Division Supervisor and Complex Burn Boss. He studied fire behavior as a graduate student and is a certified Silviculturist with a Masters Degree in Land Use Planning. He lives in the Applegate.

**Dr. Dan Fennell, MD** is a critical care medicine specialist in Medford and has been practicing for 28 years. He specializes in critical care medicine and pulmonary disease.

**John O'Connor** is a Protection Planner at the Oregon Department of Forestry.

Agriculture, 4-H Youth, Family & Community Development, Forestry, and Extension Sea Grant Programs. Oregon State University, United States Department of Agriculture, and Jackson County cooperating. The Extension Service offers its programs and materials equally to all people. If you need particular accommodations, please call our Extension Office at 541-776-7371 at least 7 days prior to the event.
