Community Pruning Day
March 17, 2018

Please give us the following information. We will then arrange to send a team to assess if we will be able to help you. This service will be for **one-time only** (if you have received this service before you are not eligible another year), and only for residents of **Tillamook County** who are unable to do their own light pruning **because of physical limitations**. This may include pruning of shrubs or small trees.

We cannot haul away debris. Because of liability, we will not be able to do any work that would require a ladder or power tools and we are not able to cut down any trees.
