

Art Exhibit Features Budding Artist

The Art Center of Pendleton will be featuring paintings by Mary Corp, local emerging artist from May 2 – May 30 in the Lorenzen Board Room. You are invited to visit with Mary during the opening reception on May 2 from 5:30 pm to 7 pm.

Mary is well known for her work in agriculture throughout the area and her passion for all things that grow can be seen in her paintings. She enjoys using vibrant colors in her watercolor paintings as she hopes to capture the energy and enthusiasm she feels about farming and the beauty of Eastern Oregon and its many attractions.

Mary has had her paintings accepted into juried shows in Oregon and Washington. In 2007, she was accepted into the Watercolor Society of Oregon and recently showed a painting at their 2008 Spring Convention in the New Members Show. Her work can also be seen at Kay C's Art & Collectibles on Main St. in Hermiston. For more information on the exhibit contact Roberta at Art Center (541)278-9201
