EXHIBITORS

1. All 4-H and FFA members currently enrolled in an Oregon 4-H or Agriculture livestock project are eligible to enter the EOLS Junior Auction classes.
2. Potential exhibitors must pre-register for the EOLS by May 15th.
3. Exhibitors are allowed to sell one market animal.
4. Exhibitors are required to show in at least one showmanship class. This animal may be a market or breeding animal which is entered in the show.
5. Any animal shown in either a 4-H or FFA market class and deemed eligible for sale at the Eastern Oregon Livestock Show Auction, MAY NOT be shown in any future market classes in any show. This qualifies this Auction as a Terminal Show.
6. All market animals must meet the guidelines within the 4-H and FFA Premium Books as well as the rules stated within these auction rules to be eligible to sell.
7. All Exhibitors are required to complete a USDA Country of Origin (COOL) Affidavit prior to or at weigh-in, verifying the animal was bred and born in the USA. A “Health Record” form stating all vaccinations and dates of vaccinations the animals have received will be required. These forms are available on the Union County 4-H Extension Website and need to be turned in at weigh-in. They will also be available at weigh-in. (Exhibitors should also have received a COOL form completed by the original breeder verifying the animal origin - this should be kept in the exhibitor’s record book.)
8. Only animals exhibited in the regular market classes at this show may be sold through the Auction. Each exhibitor must personally show their market animal in the appropriate market class.
9. Exhibitors must personally sell their own animal in the auction ring. Special situations may be considered with written application not less than one month prior to the show. A letter must be written to 4-H Superintendent or FFA Advisor. The letter will then be forwarded to the Auction Committee with a recommendation, then to EOLS Executive Board. (rarely are exceptions given!)

2. In case of extenuating circumstances, owners of any animals that need to arrive before 1:00 p.m. MUST have written permission from the FFA General Superintendents for FFA animals or the Union County 4-H Extension Agent for 4-H animals acknowledging the reason for early arrival. These animals shall be stalled and must weigh as soon as the scales open at 1:00 p.m.
3. If there is an emergency regarding late arrival for market animal weigh in, individuals must call the EOLS Office at 541-562-6237 to obtain approval for late arrival. Permission must be obtained from the 4-H Agent for 4-H exhibi-
WEIGHT REQUIREMENTS

1. **Official Sale Weight** - The official sale weight shall be weight upon arrival less a 2% shrink. *Only one weight will be permitted.*

2. Exhibitors may bring two animals (same species) to weigh in. The first animal to make weight across the scales will be considered the animal entered in the EOLS market class. Second animal must leave the grounds unless it is a ewe lamb and is entered in a breeding class.

3. Weigh in conditions are identical between 4-H and FFA. 4-H animals will weigh on the 4-H scale; FFA animals will be weighed on the FFA scales. If the animal weight is in question, the animal will be taken off the scale, the scale re-balanced, then the animal re-weighed immediately. That weight will stand. Prior to the show, scales are checked and certified by State Weight and Measurers Division.

**Minimum/Maximum Weight** - To be eligible to sell in the Auction, market animals are required to fall within an optimum weight range for their species. Animals must weigh at least the minimum weight while not exceeding the maximum weight. (See table below). The weight that will be shown on the Sale Order will be the “official sale weight” as defined in the above rules of the “Weight Requirements” section.

6. **Weight Requirements** - Market animals will be weighed on the official scales and must meet the minimum/maximum weight requirements for their species to be allowed to sell in the auction. The official sale weight shall be weight upon arrival less a 2% shrink.

7. Market animals not making the minimum weight or going over the maximum weight will NOT be eligible to sell through the auction but are allowed to be shown in a feeder or over-weight class and showmanship class to allow exhibitors to still compete at the show. Exhibitors of under/overweight animals may add their animal to a potential buyer list in the 4-H office in case there are after auction buyers available. However, the auction is not responsible for the sale of these animals or for their care.

SALE ORDER

1. **Individual animal order** – Sale order of individual animals will be based upon quality (grade) and market class placing. Within each species the first to sell will be the highest placing animal with the highest grade classification (indicated by blue or red ribbons). Animals receiving a white ribbon for
grade will not be allowed to sell. Within each grade classification, sale order will alternate between 4-H and FFA participants as appropriate.

2. **Sale order of species** - Hogs will sell first, then steers, then lambs (will sell third in even years) and then goats (will sell third in odd years).

3. **Program order** – 4-H and FFA will alternate every year as to which program member will be the first to start the auction. FFA will go first on even years and 4-H will go first on odd years.

## SALE REQUIREMENTS

1. All animals meeting the weight limitations will be evaluated by a qualified judge who will estimate if beef will grade select, choice, or prime; if hogs will grade US 1 or 2 or if goats will grade choice or prime. **The Judges decisions are final.**

2. All market lambs and goats grading choice or better must be sold through the Auction. Steers grading prime, choice or select must sell in the Auction. Market hogs grading 1 or 2 must sell in the Auction. Lambs and goats grading below choice; standard steers and utility hogs will receive a white ribbon and will not be allowed to sell.

3. Transfer of ownership takes place at the time of the sale. All Exhibitors will care for their market animals through 6:00 p.m. Saturday night. If your animal is a “Pickup or Take Home Animal”, please water your animal once that species has completed selling. All pickup/take home animals must be checked out with the Auction Office before loading. The Auction Committee will assist in loading out of the animals. All animals should be off the grounds before 7:00 pm.

4. **Market Steer Requirements** - Change of Ownership Slips (not transportation certificates) must accompany all market steers and must be presented to the weigh master at weigh in time. Steers will not be allowed across the scales without the appropriate transfer slip in hand, there will be no exceptions. *(These forms should be completed at time of purchase and signed by original seller.)* All resale steers (both 4-H and FFA) will be sold on carcass and yield grade. Any discount taken or premium paid by the re-sale packers will be passed on to the exhibitors. This means that the exhibitor will be paid on carcass quality plus the premium the buyer bids above market price. Market steers going for re-sale may be charged a feed lot fee for approximately one week if arrangements are made in hopes to prevent “dark cutters.” Exhibitors that sell steers to buyers of locker meat will be paid total price bid on animals using the live grade. All market steers sold as custom kill at the auction must be left tied with a rope halter at least 3/8-inch in diameter in the areas designated for the Custom Kill Processors. A $15 penalty will be imposed on those who fail to comply with this rule. All Exhibitors will care for their market animals through 6:00 p.m. Saturday night. All resale steers will be turned loose in the location stated by the Auction Committee.

5. **Animals Condemned at Slaughter** - If an animal is rejected, condemned, or discounted in the slaughter process for any reason, the final buyer would have the option of accepting the floor price of the animal or a comparable worth in meat (if custom killed). The exhibitor would assume this loss.

6. There will be no decorating of sale animals.
