RULES GOVERNING FFA EXHIBITS

1. All exhibitors in the FFA Division shall be active FFA members, enrolled in all-day courses in agricultural science or be a graduate of such a course who has kept their membership paid in full since graduation. State policy on contests will be followed.

2. All exhibits must be certified by the local agricultural science instructor to be a part of the student’s supervised agriculture experience project and shall have been a part of the member’s project for 60 days prior to the show. Animals sold at Tygh Valley Show are not eligible to show or sell at EOLS. Beginners are freshmen or sophomores in their first year of high school agriscience class or 7th & 8th grade students enrolled in agriscience class. All others are considered advanced.

3. One member’s livestock may not be shown under the name of another member, and each exhibitor shall be present to show his own stock.

4. All animals must be properly fitted each day of the show. A penalty may be deducted from premiums for uncaret for exhibits. All animals must be clean when exhibited or sold.

5. All exhibits must be in place by 8:00 p.m. on Wednesday evening preceding the show.

6. An unmanageable animal may be requested to leave the show. Safety is our utmost concern. For questionable beef animals, the owner will be required to lead their animals a prescribed distance. Any control decisions will be made by the division superintendent, an EOLS officer and respective 4-H or FFA director. Any excused animal is disqualified from the sale.

7. In breeding classes, all males must be eligible for registration in the name of the exhibitor. All females must conform to and be shown in breed classes, except for crossbred classes.

8. All animals will be arranged by chapters unless otherwise specified by the FFA superintendent.

9. A pre-registration form will be sent out to all chapters and should be returned to the FFA superintendent prior to May 15th.

10. Exhibitors will be barred from exhibiting, entering contest and receiving premium money if their instructors are not present or fail to do the tasks assigned by the FFA superintendents.

11. All exhibitors must enter one showmanship and all portions of the livestock judging contest. All fitting in the showmanship contest must be done by students.

12. Special classes not listed will be arranged by the FFA area superintendents.

13. Each chapter is responsible for the actions of its members while at the Stockshow. Chapter advisors may request that exhibitors be sent home for misconduct. Animals of those guilty of misconduct will not show or sell or receive any money at the Stockshow.

14. An animal can only be shown in one class, except for foundation or herd classes.

15. Each exhibitor will furnish his own feed. Bedding will be furnished.

16. There will be no breeding classes for swine.

17. All sheep entered in breeding classes must be fitted for show. The market classes must be shown and fitted for show; maximum fleece length will be 3/8” and is to be checked at weigh-in time.

18. All males in foundation classes shall be of breeding age and not related to any female in the same group.

19. Each exhibitor will be expected to keep his livestock and stalls clean during the show and especially while showing. A dirty animal will not be judged. Stalls must be left clean. Panels must be returned. A $5 fee may be assessed to pay someone to do this for you, if you fail to comply, this fee will need to be paid prior to your receiving your auction check.

20. Please check for additional rules listed in the back of the premium book.

21. See rules for Pollette Award, Western States Angus Awards, Union County Cattlewomen, Oregon Simmental Association, D & B, and Jody Schubert Awards listed in the special awards section of premium book or ask in the FFA Office.

22. Oil and/or powder may not be used on Market Hogs. This is a state rule requested by packers. Market animals fitted in this manner must be disqualified from show and sale.

23. Swine exhibitors must help mark and move their own animals to the sale ring at 7:00 a.m. on Saturday (refer to rule No. 10). You must be there to see that your animal is marked and ready.

24. All judge’s decisions are final. Un-sportsmanlike conduct will not be tolerated. Formal written complaints may be filed with the Eastern Oregon Livestock Show Board of Directors.

FFA and 4-H AUCTION

SALE RULES

1. All 4-H and FFA exhibitors may sell one market animal. Sale order will be hogs, steers, lambs and goats.

The Eastern Oregon Livestock Show Auction is a TERMINAL SALE. Any animal shown in either a 4-H or FFA market class and deemed eligible for sale, MAY NOT be shown in any future market classes in any show. All market animals must meet the guidelines within the 4-H and FFA Premium Books as well as the rules stated within these auction rules to be eligible to sell.

2. Market animals must be weighed between 1:00 p.m. and 7:00 p.m. on Wednesday of the show. Animals should weigh upon arrival at stock show grounds. Owners of any animals that arrive before 1:00 p.m. must have written permission from the FFA General Superintendents for FFA animals or the Union County Extension Agent for 4-H animals acknowledging the reason for early arrival. These animals shall be stalled and must weigh as soon as the scales open at 1:00 p.m.

3. All Exhibitors will need to sign a COOL Affidavit that indicates if the animal was USA origin, with the breeders’ information. These are available on the Union County Extension Website if you would like to pre-sign the form, and will be available at weigh-in.

4. OFFICIAL SALE WEIGHT - The official sale weight shall be weight upon arrival less a 2% shrink. Only one weight will be permitted. Exhibitors may bring two animals (same species) to weigh in. The first animal to make weight across scale is the one tagged. Second animal must leave the grounds unless it is a ewe lamb and entered in that class. Weighing conditions are identical between 4-H and FFA. No weighing on two scales or later weigh in.
